# TEASE!

## THIS · MONTH · IN · CLUB

I've been feeling a bit off-colour lately – a sort of off-green – so the girlfriend finally booted me down to the quack's for an all-over seeing-to. It was a woman. I've always been partial to female doctors: it seems a bit off to me to have some bloke prodding your balls around and asking you to cough. I always suspect that next thing they're going to ask me to put on a rubber nappy and start taking snaps for the *News of the World*.

Anyway, I digress, as that git Ronnie Corbett used to say. Doctor Zjladovacki (one of these impossible Polish monickers) prodded me about a bit, looked down my throat, counted my toes, yanked my foreskin back like she was peeling the skin off a sausage (fucking agony: you'd think they'd teach doctors to be a bit gentle with your bits) and asked me a few things about myself. Her first question was, "How much do you drink?" Her second question was, "How big do you think your liver is?" Her third question was, "Would you prefer cremation or burial? Apart from your liver of course, we'll want that for medical science."

Myself, I think she got the clue from the quarter bottle of Famous Grouse in my pocket. And I thought her tone was a bit offensive, too. Still, she had a point: perhaps a bottle of spirits a day on top of the six pints at lunchtime *was* getting a bit much.

She told me I should go on the wagon for at least eight weeks, and gave me a "lifestyle chart". You're supposed to use this thing to keep track of what you eat, how much you exercise, how much you sleep, when you shit, the whole lot.

"This bit under 'exercise'," I said. "What sort of exercise?"

"You could run, you could swim. Anything really. You've just got to get a bit out of breath once a day."

Well, it was an obvious question, and I couldn't resist it. "Does sex count?"

"If you're pretty strenuous, yes. Say, ten minutes hard at it." She's not easily fazed, my doctor.

*Big Blondi's biteable bottom*

*Randy Rachel*

So I used the chart for a week, and the results were as follows:

*Food intake:* 15 Big Macs, three curries, 16 aspirin, one steak au poivre avec pommes frites et cassoulet.

*Sleep:* 23 hours, 13 minutes and 41 seconds.

*Visits to toilet:* 268.

*Attempts at sex:* 268.

*Successful sex:* two.

*Sex which lasted ten minutes:* zero.

So I went out and had a double scotch. Ta-ra. – *The Editor* ♣

# COME AGAIN

## the girl you've asked to see

Beach belle Selina certainly caused a bit of a ding in your dongs in Vol 18 No 7. So here is the fair maid again, specially for Martin of Lincs, and Mole of Hounslow who'd like to "rub sun oil into *every* nook and cranny". Get in the queue, mate! ♣

## Gentlemen Prefer Blondes!

Congratulations Club, you've turned out your best edition yet with Vol 18 No 5.

It's great to see so many blondes packed into one mag. I've not stopped wanking in days, and I've shot load after load over Hannah and Jill, who both seem desperate to have a long hard prick (preferably mine) in their cunts. Seeing them with their legs wide open drives me crazy. I'd love to be shagging them, and spunking deep inside them.

Please can we have more editions of Club featuring hordes of blondes – they are bound to be as well received as this one. I'm sure I can speak for thousands of randy bastards like myself, who can sum up this edition in three words: Fucking great, mate!! *–Steve, Mansfield*

*Aw, stop making us blush. – Ed.*

## And Billy Makes Three

My girlfriend Paula and myself both agree that Club is the best turn-on mag around. We both enjoy reading the naughty stories, which is a great prelude to our sex sessions.

What has made me write to you was the mind-blowing experience we had last night. It being Friday we went out to our local to have a few drinks and a chat. Paula was looking stunning: she's tall, blonde, and was wearing a short skirt and blouse with stockings and suspenders on underneath. The night wore on and after a few drinks we headed back home, both anticipating having a raunchy night.

As we got through the door Paula stripped off, just leaving her knickers, suspenders and stockings on. Then she told me to go upstairs and bring down one of the blue movies we have, a selection of Club magazines and 'Billy', which is our nickname for her favourite dildo. After collecting the naughty goodies she told me to take my clothes off and leave the room for five minutes, and she'd call me back in. She finally called me – and what a sight!

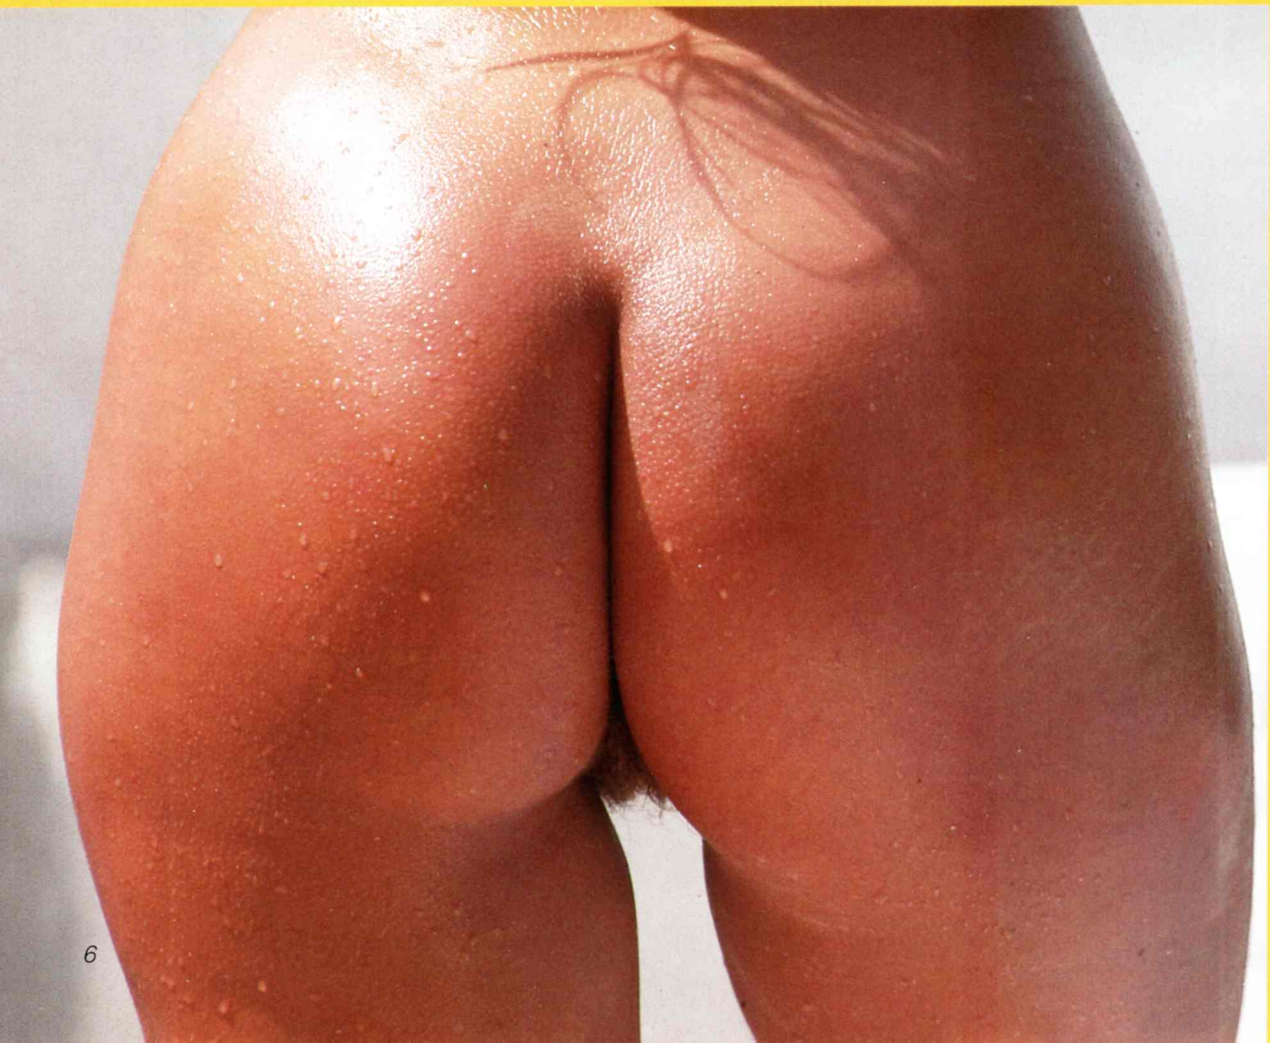
Paula had on a video with a gorgeous girl frigging herself with a vibrator. She had laid all the magazines out on the floor, with the pages turned to my favourite girls

## Dear Hannah,

**I have to tell you that you have the most gorgeous body and horniest looks imaginable. Your fabulous pictures in Vol 18 No 5 are the biggest turn-on I've seen in ages. I love your hair, your eyes, your cock-sucking lips and your pert nipples just waiting to be licked and squeezed. But it's your sensational bottom and legs that have sent all my blood racing into my cock.**

**I just can't stop looking at the photo of you bending over slightly, displaying your straight, smooth thighs and presenting your peach-like arse, while you enjoy yourself with your finger on your pussy. I'd love to come up behind you while you wank yourself, and rub my rigid prick**

# IN ARREARS



**In the third and final part of our spell-binding series Great Moments In Bottom History we proudly salute the considerable achievements of Lady Tush Bottomly. Pioneer of the right to go knickerless even in the strongest winds, Lady Bottomly showed her ideas to an unsuspecting public at a now legendary all night sitting in the House. (Just whose house it was is still not clear.)**

**Her fight for the freedom of women's buttocks led to many heroic feats, including chaining her bared bottom to the railings outside Parliament and, in her desperation, later throwing it under the King's horse at the Assbot Gold Cup.**

**In the late 1930s, when the emancipation of women's rears was finally made law, an elderly Lady Bottomly visited Westminster Abbey where she laid down the impression of her revolutionary bum in soft cement. Even to this day free women from all over the world come to pay their respects to a most extraordinary bottom. – *Billy Buttock*♣**

**against your lovely thighs, and then up against your bum, pressing into your soft flesh and snaking my tool up and down your crack. When you felt the hot surge of my jizz on your bum, your busy, sticky fingers would bring you to a sizzling climax.**

**If you let me do that to you, Hannah, you could do absolutely anything to me afterwards. Your sexy body could get me hard whenever you wanted, so your greedy pussy would be filled with cock. –** ***Mick, Stockport***

***I can tell you that I can never have enough cock, Mick. I'm one of those girls who never gets tired of feeling a stiff cock in my cunt, having it pumping in and out of me, filling my fanny to bursting. No, I could definitely never get enough of that!*** **– Hannah**

out of Club. Paula was lying on top of the magazines rubbing the tip of Billy over her pussy.

My cock sprang up like a bean pole. I'd never seen such a sexy sight.

"How's this for a horny scene?" she said as she slowly lifted her hips off the floor and gently pushed the dildo in and out of her pussy.

I didn't know where to look. On the TV this girl was going ten to the dozen with a vibrator, and on the floor there was Paula surrounded by my favourite girls. I started to wank and watch Paula and the girl on the video at the same time. Paula started to quicken her pace

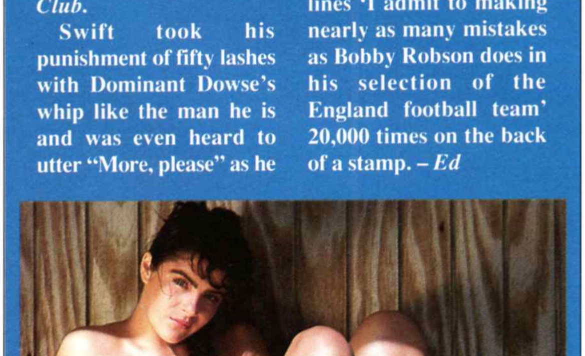
# APOLOGY

**Did anyone spot that git Swift's mistake in Club Vol 18 No 7? At his hearing Swift pleaded insanity, diminished responsibility and alliteration as the reasons behind his calling Rachel (Vol 18 No 8) the name Shelley in *Coming In Club*.**

**Swift took his punishment of fifty lashes with Dominant Dowse's whip like the man he is and was even heard to utter "More, please" as he began to cry. Rachel, though she isn't an expert at this sort of thing, added another five lashes because "I hate a guy who gets my name wrong".**

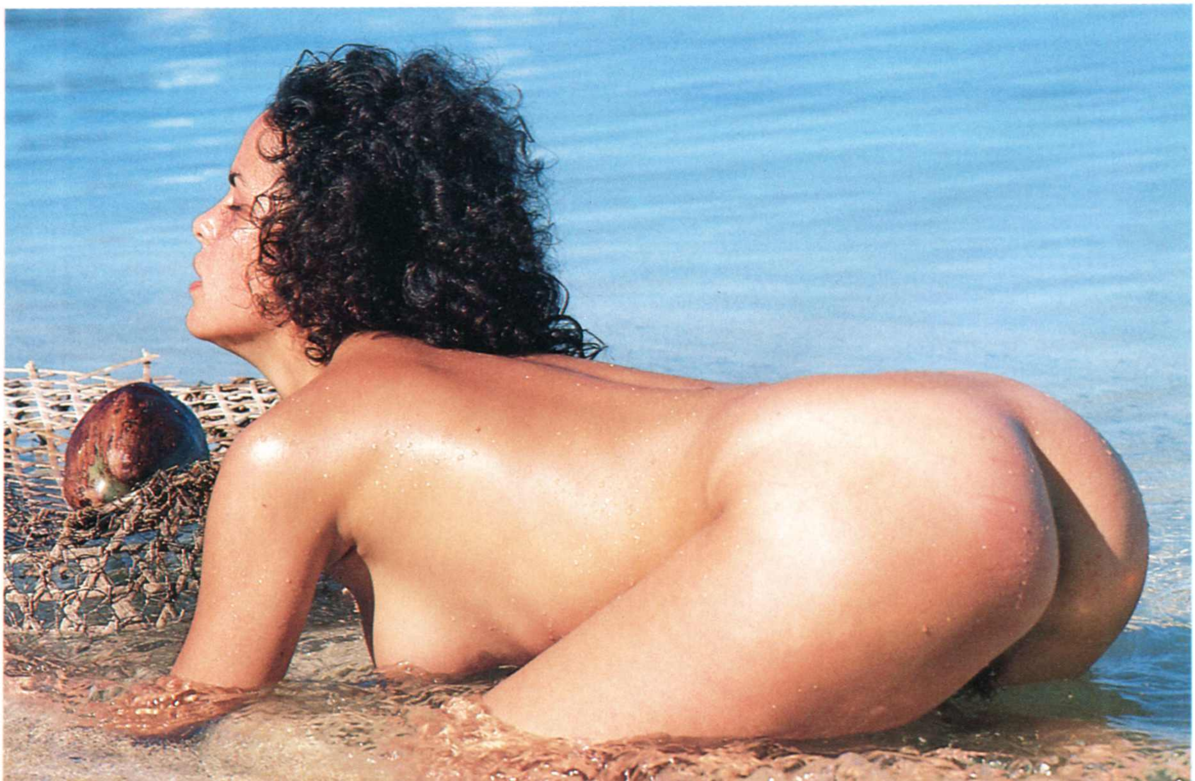
**Swift will be returning to the Editorial team as soon as he has recovered *and* completed writing the lines 'I admit to making nearly as many mistakes as Bobby Robson does in his selection of the England football team' 20,000 times on the back of a stamp. –** ***Ed***



*Bernadette*

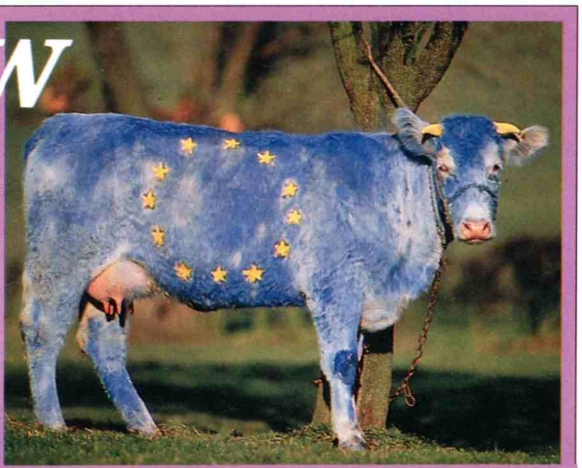
PHOTOGRAPHS BY MICHAEL MOORE

*Bernadette is the sort of beach bum you'd love to go for a bit of skinny-dipping with. But for Bernadette it's a matter of every day life. "I answered an advertisement for clerical workers for the local tourist board when I was on holiday nearby with my parents," she explains. They needed English*



*speaking girls so I landed the job easily. I come to the beach very early in the morning so I can go naked and get an all over tan. It's so much nicer not to have those little bands of white skin around the bits that no-one is supposed to see. I don't mind at all if passers-by see my boobs or my pussy.* ♣

# A COW



The glorious cause of European unity is something we're very enthusiastic about here at Club. You can tell that by how nice we are about the Krauts, Frogs, Ities, etc.

In the interest of even closer ties with our wop neighbours, we present this cow. She's called Mabelle. She's blue, as you can see. And she has twelve yellow stars on her. And, you've guessed it, those are the colours of the Common Market flag. Brilliant, eh?

Those of you with a philosophical bent *(consult a doctor – Ed)* may wonder why someone bothered to paint this poor animal blue and stick bits on her. Does she represent the European beef mountain, or the spirit of Euro fertility, or the common agricultural policy, or just a blue cow with bits on her?

In fact, this pinbrained exercise in photo stupidity was the idea of a Frenchman. The same people who came up with garlic, hairy armpits, snails and the EEC itself. You can draw your own conclusions. We'll leave the last word to Mabelle herself (a French cow, true, but drawn from good Guernsey stock).

"MEAU!" (*Translation: MOOO!*)

We hope this clears things up. ♣

# TAPED!

*This month's video column is ruder, nuder and has more hand shandies than ever before. But that's enough about* ***Allan Bryce,*** *what about the videos?*

What a month I've had! First of all I went to give blood and forgot to say 'when'. Then I travelled on the tube and got mugged by a Guardian Angel. I decided to lose weight, and the doc put me on a vegetable oil diet – I'm no thinner, but at least I've stopped squeaking. Still, they say there's always somebody worse off than you, like Jim Bowen's tailor, or the Ed's hairdresser for instance. And the one wise thing my old mum used to say was: If it weren't for Venetian blinds it would be curtains for all of us.

Right, that's the homespun philosophy out of the way for this issue. Now let's get

# GOBBLE!

*With the summer season underway,* ***Nathaniel Fatbastard*** *throws his weight at the village fête. Everybody duck.*

I'm always pleased when I get letters from middle-aged women asking me to have a hand in one of their openings. Fêtes, carnivals, council community centres – I've opened them all. And I'm always busy at this time of year, especially with Don Estelle unavailable playing the short-arsed bastard in the touring version of *Whoops! There Go My Wife's Pyjamas*. Some of these women just want the benefit of my expert tongue, welcoming visitors with my usual warmth and wit, but others want to test my expertise at grass roots level as well. Naturally I always oblige.

Just such a case was when the Lady President of the W.I. in the small Devon village of Sopping Lovehole (pronounced Lovell) invited me down to say a few words at their fête, then judge their home-made wine competition. I wrote back saying I'd be honoured, so long as she wasn't expecting me to do the kids' fancy dress as well – I'm not being shat on by some sprog dressed as Superman for anyone. Being a charity event I only charged my usual £500 fee – plus as much of the wine and geriatric old biddies' cakes as I could cram down in a day.

Sopping Lovehole is about 200 miles west of London and 500 years behind. Densely forested, it lies next to the smaller farming village of Little Brownhole, and when driving hard it's easy to drop into the wrong one by mistake. Before turning up at the fête, I stopped off at the local pub, *The Sheep Fondler's Arms* (3 Back Passage, Little Brownhole) determined to sample the local cuisine. After five pints of Devon cider (95p), I opted for a Cornish pasty so large it looked like a diplodocus *en crout*. However, it tasted more like a beerdrinker's mattress – crusty on the outside and soft with a suspiciously spicy interior (£1.50). Still, I left with a comfortable three minutes to spare before the fête was due to start.

I was welcomed with open arms and a kiss like an Aqua-Vac by Mrs Lavinia Bach-Garden, dressed in a shit-coloured uniform with a yellow scarf.

"Oh, sorry about this," she said, indicating the outfit. "I've got the brownies today."

"I had them earlier as well but they've dried out," I replied, but she didn't seem to understand. So wasting no time, I climbed on to the rostrum.

"Ladies and gentlemen," I said, not waiting for the hospice reject on the platform to get round to introducing me, "I'm Nathaniel Fatbastard, as I'm sure you know. Let's not piss, hmm, I mean play, about. I'm happy to declare Soggy Shaghole's fête open."

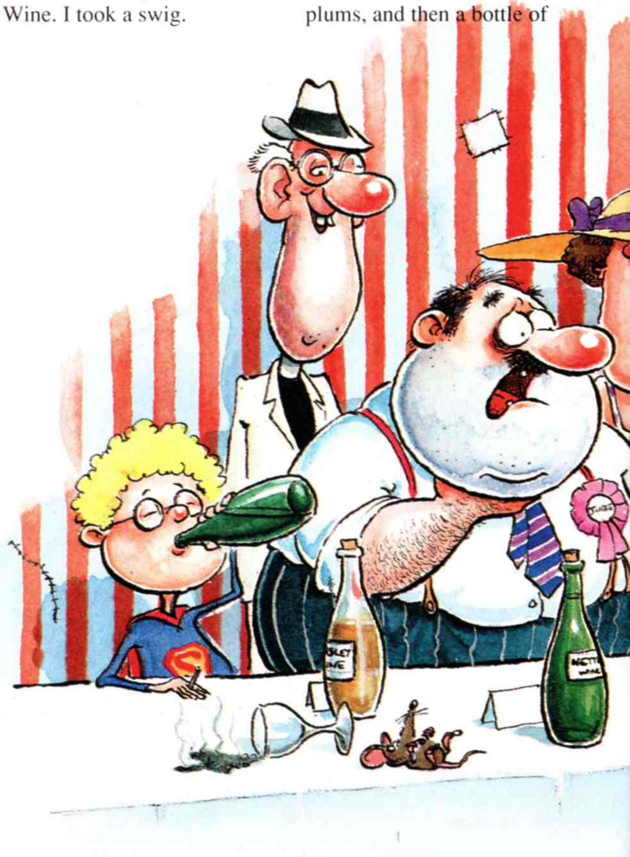
Unfortunately my applause was drowned out by the onions frying on a nearby hamburger stand.

"Now where's this fucking wine ..." I asked, unaware that they had yet to turn the microphone off.

I was led past Farmer Royds who was hiring his old donkey out for photos, kiddy rides and pornographic videos, to a marquee so old and grass stained it must have been made out of Dominant Dowse's school blouses. I was handed a bottle of yellow liquid about as clear as a diabetic's specimen. It was labelled Arnold Dribbley's Birch Leaf Wine. I took a swig.

"Fucking hell! That tastes like it's been strained through an incontinent pensioner's jockstrap!" I cried. The damp trousered OAP standing next to me looked guilty.

After that came Uncle Jethro's Old Plum wine, which as the name implies tasted of Uncle Jethro's old plums, and then a bottle of



straight into the titty-gritty with **Blonde Heat**, a movie so hot that they should really give away a free fire extinguisher with each copy.

It opens in the Hollywood office of private eye Mark Lowe (John Leslie), a tough gumshoe who's handled more cases than the British Rail lost property office. In walks a mysterious blonde (porn princess Seka) who tells our hero that she wants to enlist his services to track down the legendary Maltese Dildo, an artefact that is reputed to possess strange sexual powers. Then the plot goes on hold while Mark pulls out his own sexual artefact and fills his visitor in on his fee.

Pretty soon (this *is* the censored version, remember) he's off on the trail of the missing dildo, and finds that the mere description of the thing sends women mad with passion. As the movie unfolds, Mark becomes quite a storyteller, and there are many gorgeous women all too willing to listen. If the plot sounds familiar that is, of course, because it is based on the great old Humphrey Bogart classic *Has Anybody Seen My Great Big Sex Aid?* You don't need the help of a private dick in tracking down a copy: we've got five up for grabs in this month's competition (see page 20).

Next we come to **Unbelievable Experience**, a superbly made new glamour video from a company whose product is aimed at those who like to think young. It features the bouncy Miss Berenice Outram, featured in Club only last month, who had just turned sweet 16 when this one went before the cameras, but has a figure that could easily put you in jail. She plays would-be model Samantha, who nips along to a local

photographer's to get a few snaps done and ends up having an erotic encounter with the delightful blonde behind the counter. Up goes the 'Closed' sign and down come Berenice's knickers, and we're off into a long, idyllic lesbian sex scene that is bound to give all photography buffs a hefty enlargement.

Something educational now. **Mata Hari** was of course the infamous World War I spy who played such a crooked game that she nearly got signed up for Everton. Her life story is chronicled in the movie of the same name with the lovely Sylvia Kristel dropping her drawers for Germans, French and Englishmen alike. At one point she even has a yank – well, it helps get 'em down quicker.

We join her as she gets into a big bonking scene in a railway carriage with a German general. Then, just as he's about to pop his knackwurst she slips him a lethal dose of poison. What a

Devon Hock.

"This one's mine," said Lavinia Bach-Garden, giving me a squeeze that could dent a tank.

It was fruity, full-bodied and I was amused by its impertinence, but the wine was shit. However, I gave it first prize 'cos Lav in the Back Garden looked as though she banged like the old shithouse door and all. Sadly, I'll never know. Just then, my pasty made a return visit to its native land, plastering the toddler in the Superman costume, and the crying got on my tits before I got on hers. Still, Don Estelle's on tour for another two months yet ...♣

# filo sex

**The most important thing about having some easily accessible sex in your Filofax is to remember just what kind of girl you're dealing with. This month our Filosex girl is the user-friendly Selina who adores to give blow-jobs to men in suits and ties. Of course she didn't have much luck around the Club office where the best dressed thing is the Ed's lunchtime salad.**

**So whenever you'd like a little bit of Selina, or even all of her, just remember that the place she'd really like to be is under your office desk playing with your executive toys. Some lucky yuppies already have a secretary to do this for them, but in the meantime we think that a bit of Filosex with the irresistible Selina is more than enough to cause a commotion in your commodities and a few shocks in your stocks while you get your fair share.♣**

dirty trick – coming and going at the same time. She then goes about her business selling English secrets to the Germans and vice versa, taking lovers in both camps in the shape of smouldering Oliver Tobias and suave Christopher Cazenove. In the end she gets found out and the final scene sees her bravely facing the firing squad for her sins. It brought a tear to my eye as they shot their bolts.

And talking of documentary realism: **Secrets of Lady Truckers** is a trucking good sexy flick about a bunch of hookers who find it hard to make ends

meet until they start plying their trade on the interstate highway. Once these busty Breakers start broadcasting their wares to all and sundry, business really begins to pick up with a big 10-4.

Of course, all this bouncing on the blacktop soon arouses the interest of Smokey Bear, who sends his boys out to get the lowdown on these naughty truckers and finds them with their pants down instead. It's like a Burt Reynolds movie with tits – the biggest on offer belonging to the amazing Russ Meyer discovery Uschi Digard (so now we know what CB stands for: Curvaceous Bristols).

And finally, **Secrets of a Sensuous Nurse** is an Italian-made saucy about a greedy family's plan to assist their wealthy uncle into an early grave by hiring as his personal nurse a very sexy lady by the name of Ursula Andress. Yes, it's the very same Miss Undress who Sean Connery's James Bond found on a beach in 1962.

She looks just as gorgeous here, and isn't afraid to show off her ample figure, the sight of which soon forces the old codger into his casket with a smile on his face. But then our heroine decides she wants a decent share of his fortune for herself, and thereby hangs the rest of a storyline so sizzling you could fry bangers with it. Don't reveal the ending to your friends, but what happens is . . . ♣

with Billy, and began to talk dirty.

"Don't you just love to see me fuck myself? Don't you love my body? Watch my hips as I thrust on this rubber cock. Am I as good as her in the film?" I could hardly believe my ears.

Paula was now nearing her climax and her talk got dirtier. "I bet you'd love to video this, wouldn't you, and show it off to your mates so you could wank together and imagine coming all over me. I can see you all coming over me!" By this time I was well wound up and I thought it about time I had some pussy myself.

"Now it's my turn," I said. But to my surprise Paula said, "No, wait." She wanted to tell me what to do.

"Well, what *do* you want to do?" I said. Paula looked at me and replied, "I want to suck your cock while we're in the 69 position and you push that rubber cock up me!"

I couldn't believe what I was hearing. I lay down and Paula positioned herself over me. She slowly lowered her lips over my cock, her head slightly turned to the TV screen as she watched two men thrusting into the woman at both ends.

"Fuck me from behind with Billy; push it in hard and fast," she yelled. I pushed Billy in, trying to keep pace with the bloke on screen who was pistoning his cock into the girl from behind. By this time Paula was really worked up, sucking hard and fast on my cock and moving back and forward on Billy.

I couldn't hold out much longer and exploded into her mouth. Paula greedily gobbled it back. Then she started to moan, her eyes transfixed to the screen as I pushed the dildo faster and quicker. I positioned my mouth so I could lick her clit as the dildo penetrated her on each stroke. "Oh, you dirty bastard, fuck me!" Paula climaxed and shuddered virtually at the same time as one of the blokes on the screen withdrew his cock and

## *Shavings!*

I write to express my appreciation of the explosion of pussy-shaving in Club Vol 18 No 4. A pretty girl with a completely and cleanly shaven puss is a fabulous sight.

Your correspondent Lizzie in the *Talking Blue* section in that edition is quite correct in saying that many Oriental beauties depilate, as I can confirm as a result of a series of encounters in the Far East several years ago.

There are also various letters about shaving in Vol 18 No 4. You respond to one by saying that you'll be showing as many shaven maidens as possible in future issues. I've been buying Club for about 14 years now, and though I haven't bought every issue I've had most. *If* you keep your promise I'll buy 'em all in future!

**You really set my fantasies going, Jill. I can't wait to see you again in Club. – *Adrian, Merseyside***

***You don't have to wait any longer, Adrian, 'cos here I am. # THE NUDE SEKA

There are some things that you expect to find in porn videos: namely fistfuls of fanny. But what separates *Blonde Heat* from the rest is the fact that it has a plot. Of sorts.

The story follows the frantic search for the legendary Maltese Dildo. The eager beaver shelling out the dosh to employ sex super stud John Leslie to find the Dildo is none other than the incredible porn perennial Seka. Just why Leslie thinks he'll discover the whereabouts of the fascinating phallus by probing every cunt within shagging distance is something you'll find out for yourself if you are fortunate enough to grab one of these amazing vids in this month's competition.

Now all you have to do to win *Blonde Heat* is to tell us just what you think Seka's uttering into her cavernous cleavage in the picture shown here.

Just send it off to What Seka Said Competition, Club International, 2 Archer Street, London W1V 7HE. The five funny ones to be picked from the Editor's thigh boots get their mits on Seka's tits! ♣

## Saddle Score

Reading another writer's 'first time' story in a recent issue took me back to an escapade I had a few years ago. I was 18 and had just passed my driving test. I'd been fooling around all afternoon in my Dad's motor, messing about with some other guys on the CB.

It was a gorgeous August day and I was wearing just a t-shirt and shorts. The windows were wound down and I was on my way home when slowing down for a junction I noticed a gorgeous girl on a pushbike a little way down the next stretch of road. Sure, it was out of my way home, but what the hell . . .

I soon caught up with her and slowed down to a crawl to overtake. She was a cracking young blonde with legs all the way up to her micro cut-off jeans and a sweet little arse, wiggling the material tight over her

# DICK!

*It was just another day in the life of Club's own private eye. He was caught with his hand down his trousers on the Burmese Stork Assignment . . .*

Slick's the name. Richard Slick. There's only one thing I like more than a loaded gun and that's a loaded client.

August was a bad month for me. I'd gotten myself the one thing money can't buy – poverty. For the last few weeks I'd had about as many cases as a gynaecologist on an oil rig. My bank balance was so low worms kept banging their heads on it.

Times were as tough as a tortoise sandwich, but I'd known worse. Back in '66 in 'Nam. I was in Ha Don with the 15th Air Cavalry. My job was to collect up the horses that'd fallen out of the choppers. I got to handle more dead nags than a hamburger chain. The work was about as appealing as a pool-side party in a sewage plant.

Sometimes I wake up at night bathed in sweat. That's what the memory of 'Nam does to you – makes you forget to switch off your electric blanket.

My secretary, Rhoda Lott, arrived. She was a medium sized brunette with more curves than the Kentucky Derby and by the way she moved them I could tell she was just waiting for a jockey to come across her finishing line.

I told her she might as well go home. I had no money to pay her with. She said she'd take my soiled underwear as wages. I told her I didn't wear any.

After she'd regained consciousness I gave her her cards.

Dames. They need servicing more often than a second hand Skoda, but my monkey wrench is for personal use only. I'm in the garage most nights tightening up my nuts. And, in case you're wondering, I don't practise safe sex. I used to, but then the door slammed on my pecker and I forgot the combination.

There was a rap at my office door. The last thing I needed was four black guys talking in rhyme. I told them to beat it.

A few moments later there was a tap at the door. I was just about to phone the plumber when it opened and a dame stepped in, followed by a short, skinny guy who looked like he'd just had a fight with a stick of rhubarb and lost.

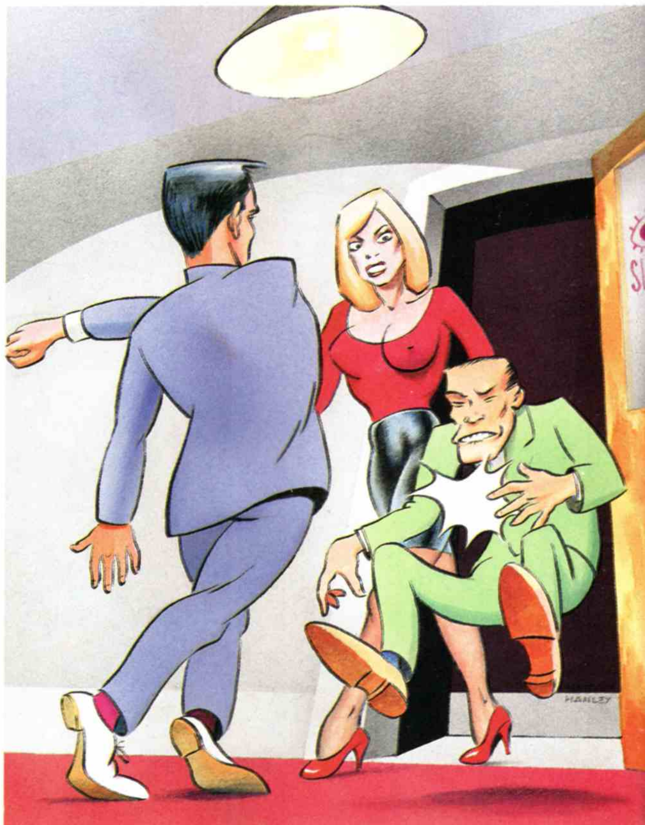
"Mr Slick? Mr Richard Slick?" the dame asked. She had the kind of husky voice that would make the Leaning Tower of Pisa stand up straight. I looked her up and down. She was about five ten, with ash-blonde hair and the sort of figure that would make an accountant mess up his double entry system.

The little guy evidently didn't like the way I was looking at the broad. He cast an angry glance at me. I caught it and threw it back. It was no use him trying to scare me. He looked as if he'd be about as useful with his fists as the Venus de Milo. I turned back to the dame.

"At your service, Miss . . . ?"

"Bricant. Lulu Bricant. And this is my fiancé, the Spanish nobleman, Don Juan King." She gestured towards the skinny guy. I looked at him. He was the sort of guy who thinks libido is what the French use to clean their asses. Something told me he'd be as much good in the sack as a candyfloss condom.

I shook hands with him. His mit was as limp and



undulating buttocks. If I'd ever wished to be a cycle saddle, it was then. My cock grew two inches or more.

At the next junction I slowed until she caught me up. A vision on two wheels, she threw me a cheeky glance – but that was all. The rest would have to be up to me. I was an 18-year-old virgin, and was she cute! I stammered: "Hi, where are you going?" just before she leant forward to start off again. I noticed her small breasts fall against her flimsy top as she did so. "Nowhere

clammy as a dead mackerel.

A foxy dame and a fishy guy. They were about as well matched as a porcupine and a balloon. One bang and it would all be over.

"What can I do for you, Miss Bricant?" I snapped.

Lulu Bricant sat down and crossed her legs. Her stockings did more rustling than a band of Mexicans.

"Something has been stolen from me. A valuable statuette. The Burmese Stork."

"Care to describe it?"

Miss Bricant smiled. "It's smooth, dark and beautiful," she gasped.

"How big is it?"

"The size is not important," Don Juan King interjected. I gave him a cloth and told him to wipe the mess up.

"You shouldn't believe everything the dames tell you, Juan," I barked. "Or maybe I should call you by your real name – No No Hung, international thief and notorious Chinese eunuch."

No No Hung made a dash for the door. I caught him by the shoulder, spun him round, and hammered my right fist into his solar plexus. The eunuch let out a couple of rasping breaths – it was the first time I'd ever heard a pair of crotchless pants – then collapsed on the floor.

I turned to Lulu Bricant. "If you want your statue back you'd better be prepared to stick your hands down your fiancé's trousers," I rapped.

She came over and inserted her fingers into Hung's flies. Her eyes lit up. "He's got the Stork!" she squealed.

"Sure he has," I explained. "I spotted it the moment you walked through the door. When I realised it was No No Hung I just put two and two together."

A few moments later Miss Bricant was standing holding The Burmese Stork. "Mr Slick," she groaned, "you've recovered my most valuable possession. How can I possibly reward you?"

I looked at her. She was a swell looking broad and by the way she was gripping the statue I could tell she'd handled more column inches than a retired printer.

"Give me a thousand bucks," I said.

Dames are fine, but when it comes to deposits and withdrawals I'll take the Chase Manhattan Bank any day.♣

## OBITUARY

**It is with great sadness that I must bring to you news of the untimely passing of Gary Garbonza; he hadn't even finished this month's column. From sketchy details gathered at the scene we have managed to piece together Gary's final, and surely glorious, moments. It seems that while exploring the Amazon jungle for the legendary lost tribe of triple D-cup women (all reputed to have breast sizes of over 100 inches by those lucky enough to encounter them) Gary was suffocated by an over enthusiastic seven breasted Peruvian mountain girl.**

**As a mark of respect all our models have been going topless, exhibiting the kind of tits and cleavages that Gary lived for. Garbonza, pioneer of the B.O.O.B. movement (Breasts Out Of Bras), was instrumental in calling for the General Tit Baring of 1979 when all mammaries were seen to be out.**

**We will all miss his valuable comments on tit appreciation. Indeed what man could look a boob right in the nipple without thinking of Gary? And I'm sure that his last words, "Here I am waiting to die, I'm going to the great big boob bonanza in the sky! Lubba, lubba", will live forever in the hearts, minds and breasts of his many admirers. – *George Breast*♣**

In a magazine chock full of blondes, it's nice to have a true raven-haired beauty stripping off once in a while. And if it's nice for us, it seems it's even nicer for Rachel.

"I've been reading Club for years," says the 22-year-old from Cardiff.

"The thing I noticed was that the girls in Club just seemed to get prettier and prettier. That was great – I've always been a bit bisexual, I think, and I loved looking at beautiful girls opening their legs and really looking like they're about to climax!

"But it was depressing in a way too. I fantasised about appearing in Club, and I thought I didn't stand a chance any more! I was so shocked when the Editor liked the polaroids my boyfriend sent in, I couldn't believe I was going to live out my fantasy."

So did Rachel get randy when she was in the studio?

"Well, I thought the girls looked like they were coming, and now I know why. I came

three times . . . showing off my pussy was the most erotic thing I've ever done. I'd recommend it to any woman!" ♣

> ***** Sensational Soccer Fact File *****
>
> *Fact Two: The popular soccer chant "Here we go, Here we go, Here we go," is a variation on the Turkish eunuchs' castration song "There they go, There they go, There they go."*

Soccer is a multi-million pound business. Its players are some of the world's highest paid athletes. Yet on the day it's still all about eleven men giving 110%, winning the 50/50 tackles, tucking away the half-chances and then all jumping in the bath together. Makes you wonder a bit, doesn't it?

> ***** Sensational Soccer Fact File *****
>
> *Fact One: Millwall's Cold Blow Lane Ground is the only football stadium in Britain that sounds like it might mean oral sex with a mouthful of ice cream.*

To help me understand the phenomenon that is modern soccer I decided to spend a week with one of the game's top clubs, Piddleham Hotspurts, currently battling for relegation in the Third Division of the West Exmoor Skoda Gearbox League. The club's legendary manager, Davey Pert, assured me that after seven days at Piddleham I'd know all there is to know about the ins-and-outs, ups-and-downs, cut-and-thrust, and any other phrases that sound a bit like bonking of today's soccer scene. And he wasn't wrong!

### THE FOOTBALL CLUB

*Name:* Piddleham Hotspurts
*Founded:* 1880
*Ground:* Knob Road
*Strip:* Only if the crowd pay extra
*Kit:* Green shirts with yellow stripes, orange shorts with suspicious looking stains down the front.

The history of Piddleham Hotspurts is typical of all the great clubs. Founded by a group of immigrant Albanian clotted cream miners, the team was originally named Partizan Piddleham. (A relic from this bygone era is the club song, "It's My Partizan I'll Cry If I Want To.")

The name was changed in the 1920s when Luigi Greatwads, a local pork pie manufacturer, became chairman. At half-time Greatwads insisted that the players eat a pork pie fresh from the oven to give them added strength. When the players bit into the warm pastry hot spurts of fat would squirt out all over the fronts of their shirts and as a result the team's name was changed to Piddleham Hotspurts. The fat that had landed on the players' kits tended to congeal and leave white stains. When they noticed this, the crowd, with typical Devon wit, nicknamed the team the 'Spunkfronts'. It is a name which has stuck to this day (and, indeed, several other days as well).

Despite being one of the world's great clubs, the 'Spunkfronts' have never won a major competition. In fact, you are more likely to find a pile of rocking horse shit in their trophy cabinet than you are a silver cup. It's a failure which charismatic Knob Road supremo Davey Pert readily acknowledges. But the effervescent Pert, known to the Knob Road faithful as 'El Kasaltzer', feels that the club reached a turning point during their recent 16:0 drubbing in the Anglo-Bulgarian Cup match against Dynamo Legova. "The signs were there," he says, "and most of them read 'Pert must go'."

### FOOTBALL MANAGEMENT

Every successful soccer manager has his own formula; some believe in defensive tactics, some in continental tactics, some in spearmint tic-tacs and some in spending £1.5 million on a player with all the skill, speed and intelligence of a one-legged, lobotomized tortoise. *(That's enough about Paul Stewart. – Spurs-supporting Ed.)* Davey Pert has his own unique system based not around the players ability, positional sense, or comfort on the ball, but on their hairstyle. He outlined his revolutionary methods to me.

**Bubble Perms:** "Players with perms make great goalkeepers. Our own netminder, Peter Shitson, is a good example of a curly-haired 'keeper. 'Shits' is 75 next week, but he is still capable of giving 150%, especially on the backseat of his BMW with the skipper's wife, Samantha Scroates."

**Long, layered hair, sideburns and a droopy moustache:** "Players that look like rejects from a mid-Seventies LP cover are usually skilful, but erratic, crowd-pleasing ball-players. We have three here at Spurts: Stan Bowells, Rodney Swamp and Frank Worthabobortwo. They are all super accurate when it comes to shooting from a dead-ball situation. As Mrs Samantha Scroates will testify."

**White-walled, No 1, US Marine crew cut:** "Players who look like escaped convicts quite often are. Our

own midfield rabid Rottweiler, Vimto Vomit, is a good example of the 'skinhead psycho'. Vimto is a gentle lad off the park, but on it he's like a bull elephant with a brain tumour. Vimto's greatest ambition in football is to rip Diego Maradona's arms off and stuff them up his arse – sideways. Vimto is a big, strong, powerful boy – Samantha Scroates' bum is still bruised from a night of passion she spent with him in 1986."

**Short, back-combed hair and a fuzzy little moustache:** "The goalscorer's hairstyle. Favoured by our look-a-like strikers Ian Bush and John Pubehill. 'Bushie' and 'Pubeso' are always lurking round the edge of the box ready to stick one home. Much to the delight of Mrs Samantha Scroates."

**Bald with Bobby Charlton-style comb-over:** "Pathetic attempts to disguise an arse top usually indicate a midfield maestro such as Spurts' skipper, Ralph Scroates. 'Bumhead', as he is known to the fans, is a unique player – he's the only one in the Football League who isn't giving his wife a regular seeing-to."

**Long, tousled and bleached blonde:** "Long, golden locks usually indicate a player who's willing to give everything they've got and Samantha Scroates is no exception. 'Scroatsie' is a great asset to the team, especially in the post-match bath."

## THE PLAYERS

The manager's hard work, his shrewd brain, his motivational skills, and his ability to lash out a million and a half smackers on some spike-headed wanker who couldn't score if he walked into a brothel with a £50 note tied to his chopper *(I've warned you once. – Ed)*, can only take the team so far. When the whistle blows it's all down to the players. I talked to some of the 'Spunkfronts' stars and asked them to speak frankly about the modern game. Their opinions give a unique insight into the minds of Britain's soccer superstars.

*Ralph Scroates:* "Well, er, like. Frankly speaking, er, you know, Brian. And that. Er. Like, you know on the day and that. Innit?"

*Samantha Scroates:* "'Pubeso' done great work down my left flank. 'Swampy' was bursting down the middle. 'Bushie's' first touch was good. 'Franko' slipped it inside. Then 'Stanso' come up on my blindside and banged it home. It was magic."

Off the field, away from the pressures, the players find their own ways of relaxing. In the reinforced metal cage which he shares with his girlfriend (a pit bull terrier called Slasher) Vimto Vomit winds down with his favourite hobby. A keen collector of red and yellow cards, Vimto also has a huge collection of opponents' body parts. Included amongst these are 35 pairs of testicles, a leg which once belonged to Franny Lee, and a brain that once belonged to Mick Channon.

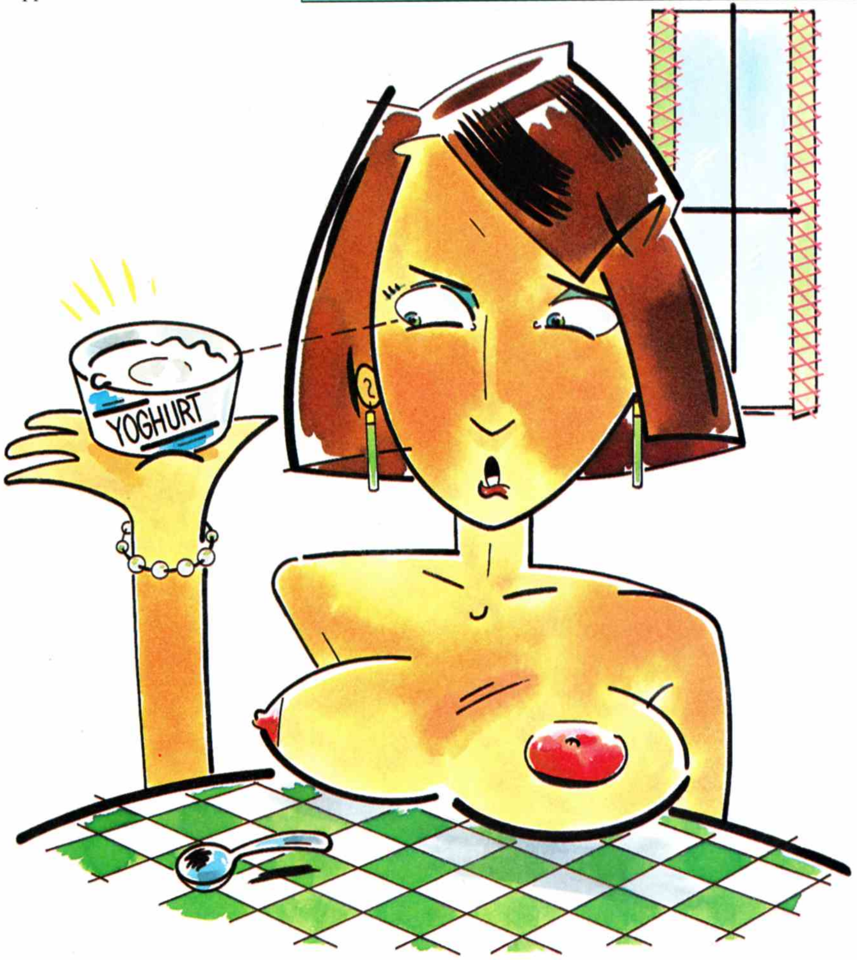
*Fact Four: Arsenal are the only first division club with a word that means buttocks in their name. However, eagle-eyed readers will have spotted that Coventry City is an anagram of the Algerian slang for a man who buggers camels.*



## THE CHAIRMAN

Football in the Eighties is more than just a game – it's also a business. To keep track of all the money most clubs employ a full-time chairman and a team of private detectives to keep an eye on him. The Spurts' chairman is Michael Greatwads, grandson of the man who gave the club its name. I asked Mr Greatwads how it came about that the club pays him 20 times as much as all the players put together. Mr Greatwads told me: "Mind your own bloody business, or you'll be fishing your dick out of a blender."

It's good to know that the finances of the game are in such capable hands.

## POSTSCRIPT

A week after I left Piddleham the Knob Road Stadium was shaken to its foundations by revelations about Davey Pert's private life which appeared in the *Sunday Grunt: "Davey Pert Prodded His Plonker In My Yoghurt," Says Actress-Model Debbie Dildo. "Spurts' Supremo Claimed He Could Eat Dairy Products With His Penis."* Two days later he was sacked.

# ASK ANDREA

YOU NAME IT,
MS CLARKE WILL DO IT!

*Photographs by Joanie Allum*

There's nothing quite like a blushing bride, is there? All that frothy white lace, satin undies, flowers, and of course, that naughty little blue garter. Every girl wants to be a bride, and I'm no exception.

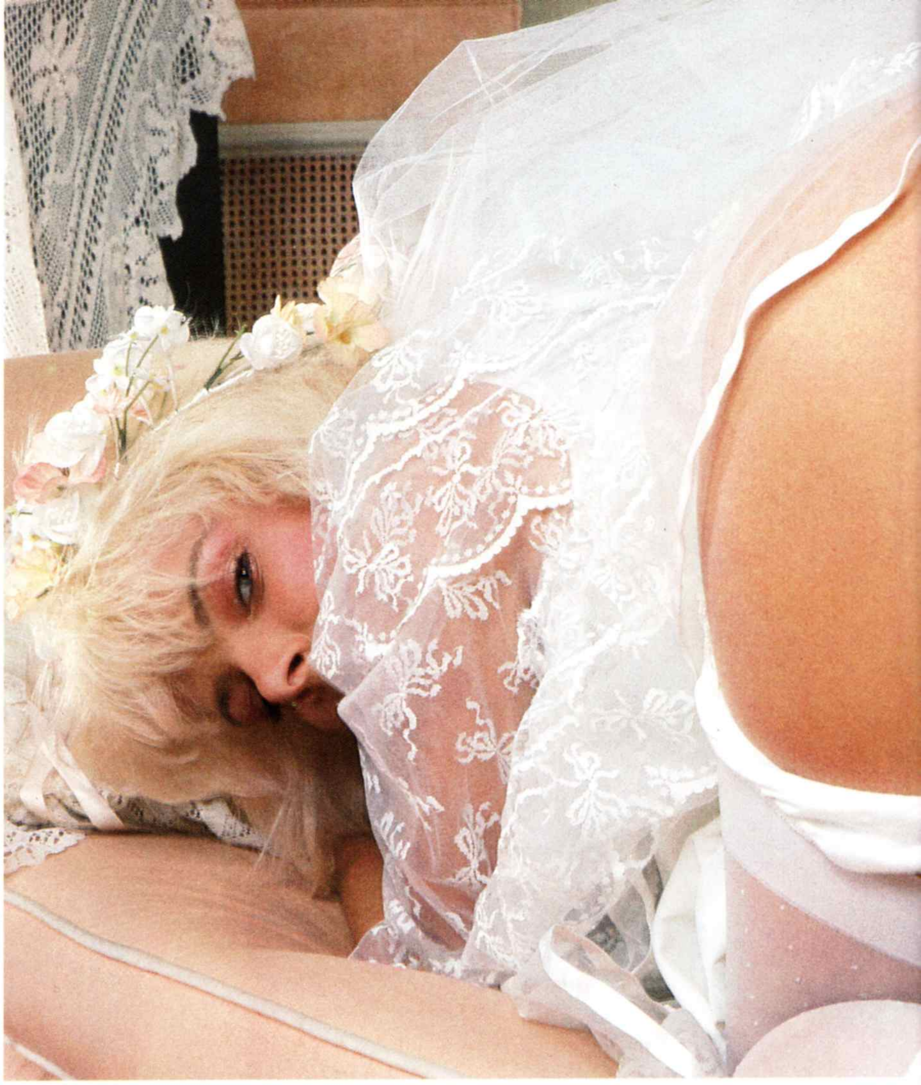
But as you know, I'm definitely a single girl, and so far no-one has proposed to me yet, so I thought it would be ages until I got the chance to dress up in a classic white lace wedding dress. That is, until I had this letter from a guy called Paul in Bolton, and then I knew my chance had come.

This is what he wrote to me: "I'll always remember the day I got married, because I've never seen my wife looking so very fuckable as she did that day. I've always loved seeing women in white anyway, but when I saw my wife walking up the aisle in a frothy white creation, cut very tight and low over her big boobs, I thought I was going to come in my pants right there at the altar!

"As she stood next to me and we took our vows, I couldn't help thinking how much I wanted to get that dress off her and shag her brains out. You can imagine that our wedding night was pretty special, Andrea! Reading Club, and especially your column, gives us great enjoyment and helps to keep our sex life exciting, so it would be great if we could see you dressed in a white lace dress like my wife wore that day. I'm sure it would stimulate us into yet another great fucking session."

After a tale like that, how could I refuse? I must admit that as I got dressed up for the shoot I was getting very worked up, and I found my fingers straying when I put on that satin underwear – especially the blue garter! I think you can all tell how randy I was in the pictures, anyway.

So I hope this turns you and your wife on, Paul – and as for the rest of you out there, I can't wait to wear a wedding dress again, so how about a few proposals . . .♣



## letters to ANDREA

**Dear Andrea,**
I thought I'd write and thank you for fulfilling my fantasy to see you dressed in a traffic warden's outfit. I had so many wanks over those pictures that I thought my cock would drop off, and I brought up so much spunk for you that I'm surprised I can still manage to shoot a load now! But seeing you always does that for me, Andrea, especially when I saw my letter with your personal reply as I did in Vol 18 No 7. I'd like to thank you for making my day, and giving me lots of extra wanks that month. – *Steve, Leicester*

*Well, thanks very much! I really enjoyed doing that set, and I always love dressing up in uniforms because I know there are so many of you out there who get excited by them. Not to mention the fact that they make me feel really naughty too. Have you had any interesting encounters with traffic wardens since my photoset, then?*

---

**Dear Andrea,**
You are the reason I buy Club every month. Your sexy poses and outfits are a real turn-on, and in no time you have me wanking at the sight of you.

The reason I am writing to you is because I have a fantasy I would like you to fulfil. I'd like you to wear the white dress you are wearing in Vol 18 No 6, displaying your suckable tits over the top of the dress. Then I'd like you to pull the bottom of the dress up, displaying your cunt, as you are in a kneeling down position with your legs open.

When you are posed like this, I dream of you looking at me as though I am in the room with you, and licking your lips as you say, "Dave, here I am for you! Now get your dick out and start wanking over my pictures – after all, they *are* for you." If you did this you would make your number one fan come again and again over your pictures. – *Dave, Staffs*

*I have to confess that the white one is my very favourite dress, and I always feel really horny when I'm wearing it – which is why I chose to model it for Club! So just think of me wearing it now, kneeling down with my back to the camera showing you my bum . . .*

---

**Dear Andrea,**
What I'm dreaming of is seeing your gorgeous, taut skin glistening with baby oil. I can just imagine you wearing black wet-look hotpants and a black wet-look bikini top, squeezing your beautiful boobs together.

You then pour some oil on to your cleavage and start massaging your tits, so that they soon pop out of your top. I know you'd love the feel of that smooth, perfumed oil on your skin as your glistening boobs slip around under the tender touch of your searching hands.

Once your tits are tingling with your slippery massage, you peel your tight hotpants over your perfect bottom and start rubbing the oil on your cheeks.

I know you'll start feeling dribbles in your pussy as you rub the oil into your crack and between your moist thighs. You won't be able to stop yourself from coming when you start on your pussy.

I expect you'll guess, Andrea, that this is what I think about when I wank myself off with baby oil, usually over your pictures. If I could see you playing with some lovely slippery baby oil in Club, I would fantasize that it was you massaging my hard, slippery shaft, making a squelchy sound with the oil as you jerked my cock in your firm grip. Then you would tease me by slowing up, rubbing the oil over my bursting glans. Finally, you lean over my cock, and bring me off all over your oily tits. My spunk sticks to your shiny skin and you rub it in, mingling it with the oil.

I'm getting very carried away over you, Andrea, and I'm already starting to rub the oil on to my dick, to make it shoot again for you. – *Gary, Leigh*

*This reminds me of something that I once did with an old boyfriend. He was the one I first really started to experiment at sex with, you see. He used to love to get me in a bath full of lovely, slippery Fairy Liquid, and get me all wet and shiny all over. Then I would wank him off with my slippery feet and he'd be in ecstasy. Is that what you'd like me to do to you, Gary?*

---

**Dear Andrea,**
Having enjoyed seeing your pictures in Club I must write to ask you to fulfil my dream, in the same way you have done for others.

My request is to see you playing snooker. I would like you to wear the shortest mini-skirt you can find, with nothing on underneath.

When you are about to take a shot I would lift up your skirt and bury my nine inch cock deep into your pussy. You are begging me to fuck you, and I shag you hard then pull out so that I come over your wonderful arse.

Then you take my cock and put it gently into your mouth. You slowly start to suck and bite me until I am about to come, then I shoot my load over your face. I would love to start to wank over your tits when you have a snooker ball between them, and then I would let you play with my balls until they're hard! I hope you can fulfil my dreams.– *PS, London*

*I'll let you into a little secret here – I'm pretty good at snooker, and love a good game with the balls now and again. In fact, I've got a snooker table at home, and I've kissed the pink on it more than once– but that's all I'm saying!*

**Well, what would YOU like to see Andrea do? Write to her at Club International, 2 Archer Street, London W1V 7HE and leave the rest to us!**

# SON OF BAD JOKE

Three guys were having an argument about who was more generously endowed. Finally, to settle the matter once and for all, they went up to the top of the Post Office Tower and proceeded to unzip their flies.

"Pretty good, eh," said Fred, whose cock was hanging all the way down to the fifty-seventh floor.

"I've beaten you easily," said Bill, whose cock was dangling just below a window on the forty-ninth.

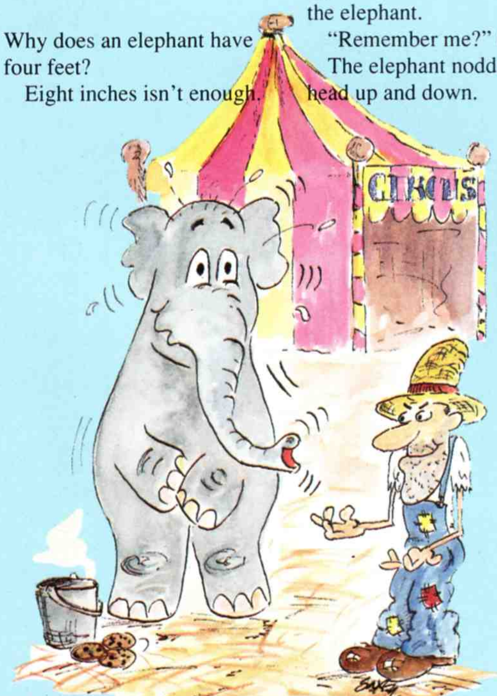
They looked over at the third guy, who was dancing a curious sort of jig, jumping from one foot to the other and peering anxiously over the edge of the observation deck.

"What the hell are you doing, Harry?" they asked.

"Dodging traffic," he replied.

Why does an elephant have four feet?

Eight inches isn't enough.



A doctor was performing a routine gynaecological examination when he happened upon a teabag. When he asked his patient about it, she looked up in horror and exclaimed, " Oh my God! Then what could I have put in the hot water?"

How can you tell if a woman is wearing tights?

Her ankles swell when she farts.

A contest was being held at the circus: a hundred pound prize was being offered to the first person who could make the elephant nod his head up and down.

Dozens of people tried and failed. Finally, a little old man walked over to the elephant and grabbed its balls; the elephant roared in pain and tossed its head up and down. The old man collected his prize money and departed.

The next year a similar contest was held using the same elephant; the difference was that the winner had to make the animal shake its head from side to side. Again dozens tried and failed. Finally, the same little old man who walked off with the money the previous year appeared. He walked up to the elephant.

"Remember me?" he said.

The elephant nodded its head up and down.

"Want me to do what I did to you last year?"

The elephant shook its head back and forth violently.

The man walked off with the prize money.

Leaning through the open car window a little more I ventured, "Anyone special waiting for you?"

but this one didn't want to have to resort to a hand job.

So I pulled into the road again, just toddling along fast enough to keep track of those wriggling cheeks. She turned off into a street, then dismounted and walked through a gate and up to her door. Breathing quickly, I stopped across the road from the large house, crossed the street and went through the gate as she turned to close the door. I'd done all this before I knew what I was going to say, but after all, I *had* followed her home!

She watched me fluster from the door crack, her pale hair floating around an oval angel's face. That tilted smile appeared again, and I started to falter. She obviously decided to take matters into her own hands. "Have you got the time?" she asked, gesturing with a slim wrist. Now I *did* falter. "Ah, four thirty-five," I managed.

She turned, leaving the door ajar, and disappeared. My faltering left me and I followed. After the bright sunshine the big house was dark and musty inside.

I glanced up the stairs and saw her tightly clad arse climb the last few steps. I saw that she was clutching the flimsy t-shirt. Her naked

sticky problem of the claimant to the title of the WORLD'S MOST OVER ACTIVE LOVE JUICE GLAND. Many of the entries turned out to be wet blankets, but now the title has been undisputably claimed.

Shortly before she died in 1984, Fanny Honeypot, a sausage historian, could produce up to four pints of love juice every time she became aroused. Drippy, as she was known to various boyfriends, had to give up her favourite hobby – cycling – because the rhythmic rubbing of her genitals against the hard saddle caused her to literally gush fluid in her wake, wreaking havoc on ensuing traffic. Radio Lyme Regis were frequently forced to broadcast AA warnings of "lubricant spillage" on the A 412.

Fanny was eventually drowned, stewed in her own juice, when immoderate behaviour caused her to come copiously, eliciting flood warnings from the Met office and drowning cattle as well as her unfortunate self.

A lady who could never be considered to be unfortunate, merely articulate, is Gabby Twatt of Tooford, Bucks, the holder of my award for having the WORLD'S MOST LINGUAL VAGINA. Ms Twatt taught her vagina to speak no less than eight different languages in the period 1969-75, with the aid of a stereo douchebag and a mucus proof dictaphone. Over this period her fanny became fluent in German, Spanish, Hebrew, French, Mandarin, Swahili and Welsh. The last language was the easiest to learn, according to Ms Twatt, as most cunts speak Welsh anyway.

Her multi lingual pussy was later to find fame in several television series, including the long running *Chatterbox*. She eventually retired to the country and wrote a successful radio musical entitled *My Lips Are Sealed*.

I discarded my t-shirt and knelt before her, taking one of those breasts in my cupped hands. "Yes," she said, with a smile that showed her pearly white teeth.

I nibbled her tits and stroked her hair and her smooth bare back, running my fingers down the ridges of her spine. My erection was incredible, bursting to be released as I traced a finger along the waistband of her jeans. Silently she pushed me away and stood up, pushing down the cut-offs in one movement. She stood naked before me, a cropped ginger thatch nestling between firm golden thighs, slightly

# ROUGH RIDER

Rachel Rider, one time motoring correspondent for the One Hundred Miles Per Hour Club members' magazine, *Hard, Fast And Really Rather Dangerous*, has been brought in to show us just what kind of motors the self-respecting Club reader should be cruising in. She thundered into the Club car park with the gravel gobbling 'Sidewinder' throbbing between her iron-like thighs. Ian 'Gillan' Midson's Honda Shopper didn't stand a chance as the fearsome Rider slotted her menacing machine in next to Dominant Dowse's leather-upholstered broomstick.

Dismounting the beast with a kick of a stocking-clad leg, Rider revealed a taut bottom that has certainly seen a few fast circuits, but still looks good for a bit of off-road rough riding. "I'm feeling mighty punchy this morning," she growled through clenched teeth. "So let's get on with it."

"This is the 'Sidewinder', half a ton of mean metal and red hot rubber," hooted Rider, punching the Ed on the arm. "It's got two fat slicks on the rear and a bicycle wheel on the front. The engine fell off the back of a jumbo jet and the rear seat is a Laura Ashley sofa, but it's sure got the punch to beat the shit out of anything *you* lot have got."

"Want to bet?!" shouted the Ed as he buzzed off dangerously into the distance in his souped-up Sinclair C5. We certainly don't. ♣

# L.A.Y. Law

*Roger knew he was the best divorce lawyer in town. He was also the greatest fuck . . .*

There'd be no problem with her husband, Roger had assured the pretty blonde soon-to-be divorcée as she'd sat in his office, showing plenty of shapely white thigh from beneath the hem of her skirt. He was the best divorce lawyer in the business. Considering that the husband's net worth was in the six-figure range, there was plenty of incentive for Roger to play hard.

Money wasn't the only reward in Roger's profession, though. The women who sought his services were going through periods of emotional turmoil. At such times they naturally turned to a strong male figure for comfort.

Kim was just such a woman. She had showed up in Roger's office one day, referred by a girlfriend who had put him on a retainer and warmed his bed. From the randy glitter in the stunning redhead's blue eyes as she told her story to him, Roger was certain Kim had selected him as much for his sexual prowess as his legal reputation.

He knew he had it made when Kim began talking. She wanted to divorce her husband because she suspected he was fooling around with other women.

What other explanation could there be, Kim asked Roger, for his lack of interest in bed? Did she look like the kind of woman who turned men off? Did she appear to be the type a man would turn away from when her naked, sexually aroused body was so close, so possessable?

No, Roger had said, he believed anything but that. To prove his point, he stood and placed his hands on Kim's bare shoulders, bending to whisper hotly in her ear as he massaged her tensely bunched muscles.

Roger saw her glistening red lips part wantonly, the tip of her pink tongue darting out in lewd invitation. Pressing his mouth to hers, his tongue slid into Kim's mouth, tasting what was his for the taking. Kim moaned as she responded, reaching up to run her fingers through his dark hair.

Soon, the divorce lawyer had expertly manoeuvred his horny client to the office couch. Roger had selected the expensive Italian sofa both for the softness of its hand-dyed kidskin covering, and its spaciousness. The oversized couch was almost as large as a motel room bed. Privately, Roger called it his "magic carpet". It had the power of turning Roger's sedate law office into a chamber of sexual delights in the twinkling of an eye.

To Roger's delight, he found that beneath Kim's clingy red dress she wore a black lace cupless bra that pushed out her white breasts to the eye-popping maximum, while the black silk panties could be easily slid from where they clung to the lace suspender belt she wore, also coloured a sexy black.

> Slick with lubricants and swollen with arousal, Kim's cunt was at the perfect state for being penetrated

Beckoning his client to come to him and stand so that her crotch was at eye-level, Roger gently slid her panties down over her thighs.

His heart pumping in his chest, Roger beheld what he thought was the most beautiful sight in the entire world.

A cunt. A wonderfully hairy cunt. A hairy cunt with luscious pink lips that concealed a large, erect clitoris.

The first pungent lick of her pussy filled Roger with indescribable pleasure. He licked her cunt again, his tongue probing deeper. Now intoxicated by the taste of Kim's sweet vagina, the lawyer allowed himself a free reign, revolving and twisting his tongue inside her cunt with lascivious abandon while she moaned and writhed against him, begging

him to make her come with his tongue.

Kim's climax was only moments away. Roger could tell she was going to come, the juice pouring from her cunt as she reached the peak of arousal. The more Kim got turned on, the harder Roger licked her snatch, until finally she reached the point where her entire body trembled and she gasped his name as the first orgasm rippled through her.

Now it would be Roger's turn to explode. Because he loved that moment when his sperm ejaculated forth and wished it would never end, Roger had become an expert on foreplay. By giving a woman foreplay, he reasoned, he could prolong that moment of ecstasy and, by prolonging it, make it all the more intense. This strategy worked very well. The longer he ate a lover's pussy, the harder and bigger his prick seemed to get and the fiercer and more shuddering his own orgasm would be when it finally arrived.

Slick with lubricants and swollen with arousal, Kim's cunt was in the perfect state for being penetrated by his throbbing rod. Roger had a big cock, and he loved sticking it in to the full limit of its length, "going the distance" with his ladies, as he privately put it.

He had discovered that certain positions were better than others for "going the distance". Least suited to deep penetration was the traditional missionary position. This was just as well with Roger. He enjoyed more exotic forms of fucking.

Fucking in the seated position was one of the most enjoyable. Not only could he sink his long cock into a woman's cunt to the maximum penetration possible, but it also enabled him to manipulate his lady's breasts, nipples and clitoris from behind. She could also fondle his balls and buttocks with ease, or play with her own nipples and clit. If he wanted to kiss his partner's throat or lick her tits, he could easily do that too.

As he helped Kim mount his lap, sliding his big gleaming phallus up her cunt, Roger knew that her petite size would be another plus for this fucking position. She was small but well put together, with ripe, thimble-nippled breasts and flaring hips, and would not weigh down heavily while they screwed.

"Feel my cock inside you?" Roger whispered softly in Kim's ear when he had entered her fully. "Does it feel nice inside your pussy?"

Kim groaned and began to finger her clit. She threw back her head and moaned, her tongue licking Roger's throat, her fragrant red hair in his face.

"Come *now*, baby," Roger said. "I want you to come for me." He plunged his pecker all the way in, feeling her shudder as she suddenly climaxed.

"See how I can make you come?" he asked her. Kim nodded. "Now I want you to make *me* come too," Roger added. "My dick is full of spunk. Make it explode inside your pussy like a good girl."

Kim began sucking her own tits. Watching her tongue, lips and wet nipples turned Roger on. He knew that he would come his load in another few seconds. He knew that when he exploded, it would be one of the hardest he'd ever had. There would be torrents of sperm gushing from his prick. The cream would brim up over Kim's pussy, spill down the inside of her thighs. He would enjoy having her squat on his face so he could lick it up.

Kim felt the first hot spurt shoot inside her as the orgasming cock swelled up like a balloon

Kim felt the first hot spurt shoot inside her as the orgasming cock swelled up like a balloon. She screamed and began to climax too. The cock inside her jizzed again, disgorging its load inside her cunt. Roger gritted his teeth in a sexual fever, seized by yet another orgasm. Again, he climaxed in a string of multiple ejaculations that left both of them spent as they finished their lovemaking.

"Next week, same time," Roger said to Kim as she returned from the office's shower and dressed. He kissed her lightly on the lips then opened the door. "Miss Jacobs will give you an appointment on your way out."

* * *

Kim's husband smiled as the pretty young job applicant sat with her legs primly crossed in the chair facing his desk. Putting on his glasses, he looked over her resumé. He saw that she could type 100 words per minute, take dictation and did excellent filing. All in all, the kind of girl Friday he was looking for.

He noted too that beneath that prim exterior there was a very desirable woman. Smiling inwardly, Kim's husband thought that Miss Richards would make the ideal addition to his staff and – if things worked out – to what he privately thought of as his "royal harem".

That evening, Miss Richards' new employer was working late in his office. Getting up to use the toilet, he was startled to see a lone member of the secretarial pool in the outer office still at her desk.

"Miss Richards," he exclaimed, "why don't you go home?" He consulted his watch. "It's almost seven o'clock."

"That's okay, sir," she answered, looking up with a smile that drew Kim's husband's attention to the pretty young girl's sensual mouth. "The Kirby account is a mess. How could you ever get any work done around here with the kind of secretarial help you had?"

What, he wondered, would she think if she knew he was thinking of how his pecker would feel enveloped by those lush, full lips?

"Look," he told her, "I'm leaving in another 15 minutes or so. If you have nothing better to do, how about letting me buy you some dinner?"

Smiling even more broadly, the new secretary said she would love to have dinner with him. As Kim's husband left to complete his trip to the toilet, he found it hard to walk: in the short space of five minutes he had grown a third leg.

Kim's husband had selected a small restaurant that he knew that served an excellent steak and lobster platter. After they had ordered cocktails, Miss Richards' boss slipped away and phoned his wife to tell her he'd be a couple of hours late, but found there was no answer at his home.

He was delighted. His wife was probably out with the girls playing tennis or swapping the latest gossip. Whatever the case, it gave him plenty of time to be alone with his pretty – and he hoped – sexually talented date.

Since the restaurant had the added advantage of being located in a large hotel, Kim's husband booked a room for the night after hanging up the phone. After dinner, and a few cocktails that loosened both of them up, it was not long before boss and secretary found themselves in the room he'd booked.

After she'd unpinned her long, shiny black hair and taken off her dress, prim Miss Richards was instantly transformed into every man's sex goddess. Her breasts were full, tipped by jutting pale pink nipples. Her shaven cunt bore long, fleshy lips and her saucy arse was as perfectly rounded as a sculpture by Rodin, and appeared every bit as tight.

On top of that, Miss Richards gave some of the finest head this side of Linda Lovelace. Kim's husband had no sooner taken off his trousers than the raven haired beauty was on her knees in front of him, her tongue and lips enveloping his stiffened rod, the tips of her nipples brushing the caps of his knees as she blew him with a performance worthy of a hooker.

In moments, he grunted and came his load all over her breasts. Still kneeling, she took one breast, then the other, into her hands, and licked each of them clean with a long, wet tongue.

The secretary's tongue had magical properties. It had Kim's husband hard again and randy to fuck in seconds.

Unknown to Kim's husband, his wife and her new divorce attorney were sitting in Roger's Rolls in the parking lot of the hotel; the compact tape recording unit on the seat beside them picking up every word, every grunt and groan of Kim's errant husband while he porked the private detective hired to pose as a secretary.

The evidence gathered tonight would clinch the divorce and ensure Kim of an out-of-court settlement in the high six-figure bracket with a minimum of effort.

There was an added bonus as well. Experience had taught Roger that listening to the sounds of their mates' fucking inevitably turned his pretty clients on in a big way. That this was the case now was confirmed by the way Kim impulsively reached across to pull down his zip.

While Kim bent to take his hot cock in her soft mouth, Roger hit a switch on the dashboard that pulled curtains over the windows and simultaneously lowered the soft kidskin seat so that it became a very comfortable bed, one that Roger privately called his "magic carpet on wheels".♣

"One of my lovers was especially randy, and loved to have sex at least five times a day. He loved to watch me playing with my pussy too, getting my fingers into my hole in front of him, playing with my tits – that used to give him a raging hard-on.

"All this sex has really set me thinking though – if men are that good, what about girls? ♣

*Where the girls get down to business*

### PEEK-A-BOOB

I've often read letters from readers whose husbands or boyfriends wanted to see them fucking another man. My fantasy was always similar to that, but I'd always wanted to watch my husband having sex with another woman. The idea had been growing in my mind for a while, but I never thought anything would come of it, as my husband is quite inhibited sexually. Or so he was until he started having an affair with a married colleague from work.

I first began to suspect he was having an affair when he started staying late at work, and that sort of thing. It was all pretty clichéd, I suppose. I never thought he'd fucked her in our house, or our bed, though, until I came home unexpectedly early from the shops one afternoon.

I knew something wasn't quite right because his car was outside and the front door wasn't double locked as usual. I wasn't really all that surprised when I saw the trail of clothes up the stairs to our bedroom, just curious. I could hear loud noises from in there, and I didn't really think of the consequences, I just had to have a look.

The door was slightly ajar – obviously they hadn't expected me to come back – and what I saw when I peered in was the answer to all my fantasies, the sight I thought I'd never get to see. My husband was lying on the bed, totally naked and with the lights full on (very unusual for him), holding his erect cock by the base as a young blonde woman crouched over him, waiting to receive that cock, the one I'd known for 12 years, in her sticky cunt. I could see the juices glistening on her pubes and around her love hole as she lowered herself on to him.

I didn't even feel at all indignant that here was some young girl in our bed screwing my husband, ramming her cunt up and down and all over Tony's swollen member. All I felt was an incredible excitement as I watched the scene before my eyes. I could feel that my knickers were getting wet and I started to rub myself through my skirt, feeling how hot and sticky I was. My clit was buzzing around inside my panties and I knew I was going to have to do something about it. But I didn't want to draw attention to myself in case they stopped fucking.

By now I'd got my hand up my skirt and was wanking myself through the crotch of my knickers. They were soaked as I worked my fingers back and forth over my slit. I watched the action on the bed. My husband was now sitting upright with his cock still inside the girl, who had wrapped her legs round his back and was frantically rubbing herself off against him. I wondered how he was managing to still thrust his cock in and out of her snatch in that position – he'd never been so athletic with me.

I was so juicy now, I had to put my fingers into my cunt. I bit my lip to stop myself making any noise as I spread all my juices around my cunt, feeling them dribbling thickly round my bush as I wiped my fingers around. The scene was getting ever hotter inside the room, with the girl now crouching above my husband so that he could watch his dick going in and out of her. I watched it too; I'd never seen a man's cock going in and out, not while I'd had the chance to observe anyway.

Suddenly my husband quickened his pace, pushing

his hips right up off the bed as he felt himself coming. It was then that the dirty talk started.

"I'm coming, Sheila!" he yelled. "I'm going to give you all my spunk in that hot fanny of yours!" Her only reply was a gasp as she brought herself off by fingering her clit, and then I almost felt my husband shooting his load with one final thrust.

"I love spunking in your cunt," my husband started saying. But I didn't hear the rest of it as I had to bring myself off pretty sharply as I didn't want them to find me there. I gritted my teeth as my orgasm came, but I knew I couldn't allow myself the luxury of sitting down to recover from what I'd just witnessed – I had to clear off before either of them found me.

Since that time, I've tried on numerous occasions to bring the subject up with my husband, but he avoids it entirely. I think he's afraid that I suspect he's having an affair and am going to make a scene about it; he's got no idea that I've seen him fuck Sheila and been aroused by it. So I'm stuck where I am until I can spy on them again, because how can I admit my kink to him? – *Lisa, Ipswich*

## BACK SEAT TREAT

I haven't been getting much sex lately since I split up with my last boyfriend. I was relying on lots of masturbating, although I've always felt a bit guilty doing that, as if it was dirty almost. However, a recent experience has taught me that I can enjoy it at last.

It was quite by accident that I discovered that vibrations in my pussy could really bring me off. Of course, I'd heard all the tales about sitting on the back seat of a bus, but I never thought there was anything in it, until I had to sit at the back one day after a shopping trip.

It was quite a long journey and I was bouncing about on the seat as the bus went down the country roads. Gradually I noticed that I must have been right over one of the wheels or something, because I could feel strong vibrations as we went along, and they were really penetrating right into my pussy. It seemed to set up vibrations right inside my cunt, giving my little love button a real throb that was almost painfully intense. I bit my lip, as I could feel myself getting really aroused, and shifted in my seat.

The bus pulled up at some lights, so while it was stationary the back seat was really vibrating. It was driving me mad! I could feel that a soggy patch had formed in my panties where my juices were starting to flow, and I hoped that the woman sitting next to me hadn't noticed anything strange. I was dying to get my hand on to my cunt and start rubbing myself, but I didn't dare.

As the bus started again the throbbing under my seat continued, and I couldn't control myself any longer. I pulled my coat over my lap to cover what I was doing, and surreptitiously slipped my hand up my short skirt. I immediately encountered a wet patch on the crotch of my knickers and I rubbed my index finger over it, feeling it grow even bigger as I got more turned on. Slipping my finger under my crotch, I circled my clit with it, pulling it out of its hood and working it round. I knew I was going to have to finish what I'd started, but I still didn't know if I dared.

To my relief the woman next to me got off at the next stop, so as soon as she did I had my hand up my panties, fingering myself off as vigorously as I could without attracting any attention. My hand was covered in love juice as I put a couple of fingers into my pussy and started wanking myself off properly. I had to hold my coat over my lap with my other hand as I frigged myself, biting my lip to make sure I didn't start moaning. It was a great relief as I came, flooding my knickers with love juice.

Getting off the bus with my juice-soaked knickers sticking to my cunt, I must have looked as if I was walking *very* oddly, but I didn't care if anyone noticed by that point. I rushed home and enjoyed several long wanks that afternoon, and since then I've ridden on the buses as much as possible – on the back seat, of course! – *Yvonne, Kent*

## JOIN THE CLUB

My name is Samantha, although all my friends call me Sammy, and I'm writing this letter to *Talking Blue* after one of my friends showed me a copy of it recently. My friend Donna introduced me to it last week, after she'd introduced me to something else too.

Donna works in the same shop as me and we've always been good friends. Last week we started to talk about our holidays and where we wanted to go this year. We always go on holiday together and usually try to pick up some older men to have some fun with. They usually love this because Donna is 19 and I'm only 18 (last month).

One lunch break we were talking about our holiday and Donna said that we should go to the local swimming baths to get some practice in before we went away. When we met at the baths that night I was a bit late and Donna was already changed. I've seen her body quite a lot on holiday and I have already watched her being well thrusted by the men she picked up then. Anyway, she'd bought a new costume, cut right up to her hips, backless and with a lovely low neckline. Donna has bigger tits than me and they really showed up against her thin waist and long legs – which you could see every inch of because her costume was cut so high. She was really showing off her titties and pussy mound well.

I had a good eyeful of Donna and could see some of the older women in the room looking really jealous of her. I quickly wriggled out of my shirt. My boobs are rather small and pert so I don't wear a bra, and soon I'd skimmed down my jeans and little knicks. I had my legs slightly spread and Donna was behind me, and told me I looked just like a girl called Jacqui who was in Club recently and that she'd show me later. I was interested but concentrated on slipping into my small white costume, which cuts up over my tight little bum cheeks and shows them off.

Then we went out to the pool and Donna nudged me as a couple of lads took a real interest in us both. We did quite a lot of swimming and at one stage we agreed to rest – sitting on the edge of the pool, dangling our feet in the water, with our legs really well spread showing off our teenaged pussies. A number of young lads stopped for a good look and one guy saw us and started to swim across the pool to where we were sitting. He was about 40 and going slightly grey, and as he stood up next to where we were sat at the shallow end, we could clearly see his knob stiff in his trunks. Donna opened her legs even wider, pushed out her tits and told him he could see even more if he waited for us in the car park. When she said that, we could actually see his cock throb.

We walked back to the changing room and I wiggled my bum as much as I could. When we got to the little foot bath and spray I went through first and then heard this really loud wolf-whistle. Donna had walked into the foot bath and with her back to the pool had pulled the crotch of her costume aside to reveal her cunt lips and turned round to give some lucky lad a quick flash of her love hole. I bet he's still wanking over the sight.

In the showers we discussed what we were going to do with our man. I disgusted the lady next to me by saying that I fancied having his cock deep into my throat! But Donna had got it all arranged. We met him in

FANTASY PRODUCTION CALLS CHARGED AT 25P PER MIN. CHEAP AND 38P PEAK MIN. OTHER TIMES

the car park and he drove us to Donna's house, since her parents were away. While he parked the car, we ran into the house and Donna put an issue of Club on the coffee table. When Graham (that was his name) came in, we told him to sit in the lounge behind the coffee table while we went to 'change'.

And what a change! Donna let her lovely ripe tits fall loose and just pulled on a little thong, which was just a string in her bum crack and let plenty of her pussy mound be seen at the front. I stripped off everything apart from my T-shirt and there was a pair of pert little 33B boobs bouncing underneath, with my golden haired fanny peeking out from under the bottom hem. By the time I'd run down the stairs my nipples were really hard. We found Graham with a great bulge in his trousers, thumbing through Club.

Donna then let fly with her plan. She told Graham to turn to Jacqui's photospread, lifted up my T-shirt above my rounded little bum and posed me like Jacqui. I thought Graham was going to cream his trousers. Then Donna turned me round to face Graham and pulled off my T-shirt, causing my aching little tits to bounce. Then she spread me, bum aloft and tits dangling over the sofa. Graham was quickly struggling with his trousers and shirt, eager to get into my tight, wet, teenage cunt. Donna got in the way, stuffing two probing fingers up my love hole, playing with my dangling firm boobies, rubbing her hairy pussy mound against my bum while Graham hauled aside her thong and plunged a really long, stiff throbber up her tasty snatch.

Suddenly Donna's fingers rammed right up me and her thumb rasped against my tiny, twitching clit because Graham had spunked his juice right up her. Groaning, he withdrew to read Club and stiffen up his cock again. Aching for a come, I lay on my back on the floor, legs spread, and Donna's lips and tongue creamed me off. Donna then frigged her aching cunt, its lips spreading wider, wetter and sweeter until she rammed her tongue right up my rippling pussy walls as she came. Graham was lusting at us, ready to go again, and Donna and I took turns at copying poses from sweet girls like Jacqui (what lovely tits), and randy bitches like Julianne and Debbie from the same issue as Graham filled us, fucked us and spunked us. We were knackered afterwards.

What an introduction to Club, to a lessie session with Donna and to coming holidays! – *Sammy, Boston*

# Holiday Blues

## *The Fruit of the Vine*

The incidents which I'm going to write about took place some 13 years ago, in the hot summer of 1976. I'd forgotten about it all, or tried to, ever since then, because it's something that I felt quite ashamed of. Well, not ashamed exactly, but afraid, afraid that if I started to remember it I would give in to my feelings and sexual inclinations once again, and ruin not only my life, but my husband's and my whole family's too.

But the hot weather this summer has brought the whole episode to the forefront of my mind again. I spent the whole of the summer of 1976 in the south of France, fruit picking. It was mainly grapes but sometimes oranges and lemons too. I was staying in a small village just to the north west of Nice, and along with many of the other young fruit pickers, was there for the summer before going off to take up a place at college. It was a great way to meet lots of new people of my own age, and as I'd had a rather sheltered life in the small village where I was brought up in Cumbria I felt it was a good way of earning some extra money as well as learning to relax with strangers.

Although I was only 18 then, I was already engaged to the bloke who is now my husband, and we'd been together for three years. I'd never wanted anyone else, and I'd always thought that sex was only to be tried out between people who were married, or going to be. However, something happened to me that summer, which might have changed my life totally if I had allowed it to.

I'd been in France for about a month, and was working really hard. The fruit farm was big and had a fast turnover of casual workers. Although shy at first I soon found myself making friends, and it was a great laugh in the evenings, when we would all pile off to the village bars and cafés. We lived in a large converted barn on the farm, in big single sex dormitories, and living in such close proximity to others soon led to me shedding a lot of my deeply ingrained inhibitions about my body.

When I met Roxanne that all changed. She was totally different from me, having been brought up in London all her life, and she delighted in telling me how many different lovers she'd had and what they'd done together and how good they'd been. I could tell that she found me very attractive right from the start – she made no secret of the fact – but I ignored the signs of my own body until I couldn't hold out any longer. I couldn't help the way my pussy went all hot and wet when she was nearby, or the way my nipples would harden when she looked at me with her lust for my small, pert-boobed body all too obvious.

She would ask me if I'd ever had a black lover before, and told me that she was going to bed me before the summer was over. She was so matter-of-fact about it all that it almost seemed normal to me. But I never expected that I'd eventually be the one to take the initiative.

We were all allowed one day off a week, and on one of those days Roxanne and I went off on some hired bikes to the hills to the north of the village. It was so hot and dry that we were both wearing the minimum of clothing – cut-off jeans and tops – and I'd even been daring enough to be completely without underwear. That was something I'd never have dared to do at home. Roxanne had her cut-offs so tight that I could see every fold of her pussy through them, and some wisps of her thick black pubes poked out from the edge.

I seemed to be in a constant state of arousal as we rode along to where we were going to stop and sunbathe for the day. I don't know whether it was the hard saddle of my bike or the heat or Roxanne or what, but my cunt was wet and tingling the whole time, and my aching nipples were rubbing against my shirt almost painfully. At some point, I don't know when, I made the decision that the ache would have to

be eased.

Everything about Roxanne was erotic that day; the way she sat, lifting up her arms behind her head so that the swell of her boobs showed clearly, the way she ate her lunch, looking at me all the time as she did it, everything. Without thinking I suddenly leant forward as we sat there, and pushed her on to her back. She didn't look surprised, but merely said, "I wondered if you'd lose your nerve."

I pushed my tongue into her mouth and started kissing her so hard that our teeth banged together. That was all it needed and soon we were writhing together on the dry ground, pussy mounds rubbing up feverishly, our hands mauling each other's boobs. I could feel her high nipples thrusting into my fingers when Roxanne sat up and said, "Suck my nipples. I want to see you sucking them."

I was all too eager and ran my tongue lightly over them with her shirt still on at first, feeling them grow bigger. I pulled off her shirt and Roxanne lay back, holding up her boobs for the attentions of my mouth and tongue. She had very large nipples that stuck out a good half inch, and for the next few minutes I was lost, playing with them in my mouth and listening with satisfaction as Roxanne groaned and fingered herself.

"Take off your shorts," I said. "Show me your pussy." I'd never said anything like that to anyone before, but more than anything at that moment I wanted to bury my face in that black muff and drink up those female juices. I wondered what they'd taste like, and I desperately wanted to find out.

Roxanne eased her tiny shorts off her long legs so that she was naked, her smooth black skin glistening with sweat, and her love hole shining wetly with juice. I could smell it, and hurriedly buried my face in the thick curls, running one hand over her stomach as she sat there to receive my attentions. One lap of her cunt and I was hooked! She tasted so wonderful and female, and I started to lick and suck at her cunt faster and faster, getting more turned on myself as I worked at her clit with my fingers and ran them all over her juicy slit.

She was really moaning and shouting as I licked her out. I'd never heard anything like it. Suddenly I felt her whole body ripple as she came, spreading thick come all over my face as I busied myself getting her off again. I'd never felt such power over another person before; it was as if Roxanne was putty in my hands.

As her orgasms subsided she lay back on the parched grass, panting, letting her legs loll open, showing me what I'd done to her cunt. I'd never seen such an erotic sight. Her pussy was pink and swollen under the black curls and outer folds of black skin. Come was dripping out of it and coating her thighs, and I could see my own saliva all around her hole too.

Her legs stayed open as she

watched me, and I knew she was deliberately waiting for me to make the next move. I took off my shirt and lay back on the ground, holding one boob in each hand and massaging them with my fingers. She looked at me idly.

"Want me to lick your fanny?" she asked. I nodded and watched spellbound as she pulled my shorts down slowly, running her fingers up the inside of my thighs, followed by her mouth. I was trembling with anticipation as she kissed her way back up again, getting closer and closer to my cunt.

When her lips finally touched my cunt-lips I let out a huge shudder and felt the juices seeping out. I knew I must be soaking but I didn't care – I just wanted to let myself go completely, and Roxanne sensed this.

"Just let go," she said, gently nuzzling my cunt with her mouth while rubbing two fingers on the outer edge of my love hole. "I want to hear when you're coming." It was all too obvious as I started gasping and panting, clawing at the air as Roxanne's expert cunnilingus brought me to my first climax with a woman. It was so intense that my hips arched right off the ground, pressing my mound right into Roxanne's face. Immediately she lifted my hips even higher, and knelt up so that she could take my legs round her shoulders and lick me even harder. I had to support my back as she knelt there, giving me orgasm after orgasm until my cunt was aching and swollen.

For the next hour or so we hardly spoke a word, just lay next to each other licking each other's bodies, stroking and sucking, fucking in all kinds of positions. At one point I was sitting astride Roxanne as she put three fingers into my cunt and masturbated me as I thrust up and down on top of her, mauling her nipples as I abandoned myself to the feeling. She seemed to be penetrating me really deeply, but I couldn't get enough of it.

"I wish I had my dildo here," she said as I pushed myself down on to her probing fingers. I wished she had too, because I just wanted all these new and exciting sensations to continue.

We had lost track of time and thought we'd be missed if we didn't get back to the farm right away, so we started back on the bikes. My cunt was so tingly and slippery that I could hardly ride, and the sight of Roxanne's firm arse cheeks on the bike in front of me, moving up and down as she pedalled, just got me excited again. I could see a large wet patch on the crotch of her shorts as she rode – obviously the feeling of the hard saddle between her legs was affecting Roxanne too.

I had to have just one more screw before we got back. I pedalled faster and overtook Roxanne, stopping sharply in front of her. She knew what I wanted and we just lay our bikes down at the side of the road and went behind a tree.

This fuck was fast and furious, but all the better for that. I think the chance that we might get caught by somebody made it more of a turn-on too. We were only just out of sight of the road, and it was still light. I pulled off Roxanne's shirt and started to lick and bite her tits, feeling those wonderful nipples getting bigger and harder as I worked on them. Roxanne stood there, concentrating on keeping her legs from buckling, holding my head to her boobs and encouraging me almost like a mother would a child.

"That's right, suck my boobs. Make them big and hard. I'm getting really excited now," she was saying as I closed my eyes and tongued lower, bending down to work my way down to her pussy. It was already wet and ready for me to slip my tongue in, and I used my fingers to hold Roxanne's outer lips wide open so I could get in as deeply as possible. She came pretty quickly, and immediately pulled me down and went down on my fanny, her tongue rasping through my pubes and teasing my cunt-lips as she brought me off. I fingered my clit to make the climax even more intense, and had to hold on to her head for balance as I came again and again.

By the time we'd licked each other clean of come and made our way back to the farm it was very late. But no-one guessed our secret that whole summer, although we would disappear for days on end in our free time. It was agony sleeping in the same room as Roxanne and not being able to get into bed with her, but we didn't want to risk any of our co-workers knowing that we were lovers.

When the time came for me to go home I had to make the decision never to see Roxanne again, because I felt that I should curb my lesbian tendencies for the sake of my fiancé. I managed it all the way through college, but for the last couple of years the urges have been getting stronger and stronger. I know that it's only a matter of time before I go to bed with another woman. – *Marie, Cumbria*

# Couples Confess

*Share and share alike! That's the idea of good group sex. And here in Couples Confess is where you share your dirtiest real life experiences with us.*

When you print all those holiday stories from horny readers, I can't help thinking of the holiday that my wife Lucille and I had in Ibiza last year. Lucille reads the stories too, and she thinks we had a wilder time than anyone so far.

You see, Lucille and I have a real good fucking time together. We do it in all sorts of ways, but one of her favourite pastimes is getting a real long chunk of big thick dildo inside her while she sucks me off. So when we went on holiday Lucille just had to take her dildo with her.

No problem with that of course, except that when we walked through customs at Ibiza airport the customs officer asked us to open our suitcases. He rummaged around for a bit, and what did he pull out from between the clothes? You guessed it – Lucille's dildo. He examined it carefully, then put it back again smiling and wished us an enjoyable holiday.

We were a bit embarrassed, I suppose, because the other customs man had stopped another young couple behind us and they saw the dildo we had in our suitcase. Anyway, the really funny thing was that as we stood there fastening our suitcases up again we saw theirs being opened. And guess what they had – that's right, a dildo just like we had.

This started us all laughing. "Hey, that's just like mine," said Lucille. "Yes, I like big ones too," answered the young woman, whose name was Sandra. We introduced ourselves. Her boyfriend was Paul. "Nice to meet people with similar interests!" he said.

It's funny how friendships start. Sandra and Paul stayed at the same hotel as we did, and the next time we met them was on the beach a couple of days later.

Lucille was sunbathing topless in flimsy bikini briefs that were pulled up so tight you could see the folds of her cunt through them. I was just rubbing suntan oil on her stomach when Sandra and Paul came and sat down next to us. Sandra's top half was bare too and the back of her bikini was so narrow that most of her bum was uncovered.

We started talking again, laughing about the customs men and the dildos. Lucille and Sandra seemed to get on well together. As I was going to start rubbing suntan lotion on Lucille again, Sandra told me to stop. "Let me do that for you," she said.

She let the dark oily liquid drip on to Lucille's stomach and breasts, and then massaged it into my wife's skin. She rubbed it over her stomach as I had been doing, but then her hands moved lower so she was skimming the top of Lucille's bikini panties. I watched as her fingers slipped under the material of the bikini just a bit, and then a bit more, still massaging the oil into the shining skin. A moment later one of Sandra's hands disappeared right into Lucille's bikini and from the way the material was moving in and out it was pretty obvious what Sandra's fingers were doing.

Paul and I had such enormous hard-ons by this time that we had to lie on our stomachs to maintain a bit of propriety. Lucille and Sandra obviously didn't care much for propriety, however. Sandra shifted her position and sat astride Lucille, now massaging the suntan oil into my wife's tits. What a sight it was – and of course it didn't just stop there. Before long, Sandra was rocking to and fro, rubbing her pubes against Lucille, who now seemed to be overcome by a combination of the hot sun and an upcoming orgasm. Sandra was plucking at Lucille's nipples, and Lucille was grabbing at Sandra's tits as they ground their pubes together with only two flimsy pieces of cotton between them.

On a crowded beach it's hard to keep that sort of performance a secret. As I looked around I saw that these two horny women had quite an audience. There was one guy who'd even got his hand in his swimming trunks, and you can guess what he was doing. The best thing was when Sandra increased the pace of her rubbing and both of them reached their orgasm. Sandra gasped and Lucille moaned – but they both did it so loud that even people who hadn't noticed their antics now turned to see what was going on.

When Lucille and Sandra had had their fun we decided we'd better move on. As we made our way off the beach I held a towel strategically in front of my bulging swimming trunks. Both Lucille and Sandra had dark damp patches at the front of their bikinis. I noticed that the guy who'd had his hand down his swimming trunks had a damp patch now too.

Sandra and Paul joined Lucille and me in our room on the top floor of the hotel. Lucille and Sandra had enjoyed their beach session and were pretty worked up. They soon stripped off what little they had on and lay side by side on the bed, laughing and stroking each other while we two guys looked on.

Paul and I were hot and horny so we called room service and asked them to send up some cocktails, then we stripped off too and joined the girls for a bit of afternoon relaxation. "And about time too," said Lucille. "I could do with a bit of cock."

"A lot of it, you mean," Sandra corrected her.

I soon got my head between Lucille's legs and gave her a good tonguing. I pulled her cunt open slightly and stuck my tongue inside, moving it around and mixing my saliva with her juices. Then I pulled her lips wide apart so I could see right into the depths of her pink hole. I slipped two fingers inside and slowly pushed as deep as I could go. Then I withdrew and pushed again, then again, setting up a fucking motion with my hand.

Paul stood at the side of the bed while Sandra, who was next to Lucille and me, sucked at her boyfriend's cock. She flicked her tongue all around it, then took it into her mouth with the same back-and-forth movement that I was making with my fingers. But with every forward push, Sandra got more of Paul's cock into her mouth till eventually she got the whole length of it in.

As Lucille lay on her back on the bed, I changed my position and knelt astride her head, facing her feet. I leaned forward and pulled her legs apart and right back so that I could give her gaping cunt another good dose of my tongue. At the same time she took my cock in her mouth and started her own oral

treatment.

Paul now had Sandra with her head and shoulders on the floor, her back upright against the bed, her arse in the air, and her legs straight out forwards at a right angle to her body. He faced her with his feet on either side of her head and with her legs between his. Since Sandra's cunt was the uppermost part of her body, Paul directed his cock downwards into it. Judging by the noises she made she seemed to be enjoying herself.

Suddenly there was a knock at the door. "Christ, there's the drinks," said Paul, extracting himself from Sandra's cunt with a plop, his erect member gleaming with her juices. I think he was going to pull on his trousers and go to the door, but he didn't get the chance. Lucille took my cock out of her mouth for a moment, coolly shouted, "Come in," then grabbed another mouthful and carried on sucking.

The door opened and the waiter walked in. He was obviously a bit surprised to see what was going on, but he took it all in his stride. "Your drinks, sir," he said calmly, putting the tray down on the bedside table.

I crawled off Lucille and got my wallet to pay for the drinks. I had just enough, but nothing extra to give him a tip. I knew Lucille had some money in her handbag so I asked her if she had a tip for the waiter. "You bet I do," she said, getting up and going over to him. "How about this?" she asked, rubbing her tits against him.

"I've got something for him too," said Sandra, who by this time was the right way up and was sitting on the bed fingering her snatch. The waiter was dark and good-looking. He was also pretty cool about the fate that was about to befall him.

And what a fate! Sandra got on her knees in front of him and unfastened his trousers. She got his cock out. It was as rigid as a pole. Sandra licked her lips and put the end of his tool into her mouth. She soon had it in as far as her tonsils, working the foreskin up and down with her hand.

"Hey, that's a real whopper," said Lucille. "Let me have a share." She got down at the side of Sandra and joined in the sucking. It was really erotic to see how the two of them worked that giant cock together.

Paul and I soon got to work too. We got our girls to stick their bums in the air, then started to fuck them from behind. They were both hot and juicy. The wispy hairs between Lucille's legs were already damp and sticky with the liquids from her cunt. I pushed my cock inside slowly but firmly and felt her stiffen as my rigid length filled her vagina. Paul was pounding away at Sandra's love hole, his balls flopping against her as he rammed his cock in good and hard.

The two girls were giving the waiter the time of his life, cupping his balls in their hands, stroking his cock with their fingers, caressing his knob with their lips, scraping it gently with their teeth and licking it with their tongues. First they took it in turns to gobble his cock, then one of them would wank him while the other sucked his balls, then they licked his giant member together, one at each side.

Paul and I swapped partners. Sandra's cunt was just as juicy as Lucille's. It was a really raunchy feeling to be banging away at another guy's girlfriend while he fucked my wife next to me, and watching both of the girls get an ample mouthful of someone else's cock.

Eventually our friendly waiter could stand it no longer. As his body stiffened the come just seemed to explode from his cock. The sight of it pushed me over the brink. I could hold back no longer. I felt my cock pumping Sandra full of come as she writhed her arse against me. It looked as if both girls were coming, for Lucille was writhing too. Paul didn't take much longer. His body shuddered as he shot his load inside my wife. She squirmed and wriggled, enjoying every moment of her orgasm.

I pulled out of Sandra and sat back to take a rest, but Lucille wasn't satisfied. She moved around to Sandra's gaping cunt as my milky white come oozed out of it. "Don't want to miss what's rightfully mine," she said, licking the come as it dribbled slowly out of Sandra's cunt.

When it was all over the waiter pulled up his trousers, adjusted his bow tie, thanked the girls for their tip and went out of the room.

"That was a fantastic fuck session," said Paul.

"Mmm, not bad I suppose," said Lucille, "but it's early in the holiday yet! There's still time for a lot more to happen."

And a lot more did happen too – sexwise, that is. Just a few days later, Lucille and I met up with Sandra and Paul on the beach again. Sandra kindly offered to rub suntan lotion on to me this time, and somehow her oily hand kept slipping inside my swimming trunks. Lucille squirted suntan oil on to Paul's back and started massaging it in with her boobs.

By the time we left the beach a couple of hours later both Paul and I were raring to fuck these two women of ours, but they refused to have any. "No, we've decided to go shopping instead," Sandra said. "You two can cool off in the pool and we'll see you later."

"You must be joking. I'm as horny as hell," I said.

"Don't worry," said Lucille. "The longer you wait, the better it'll be. I promise."

Late in the afternoon Lucille and Sandra returned, and that evening the four of us sat together for dinner. After we'd finished, the two girls got up to leave. "Let's all have a drink together," Lucille said. "Sandra and I are going up to our rooms to get changed. We'll see you at the bar in a few minutes."

Paul and I managed to reserve four bar stools just

before the rush of people came in from the dining room and filled the bar up. Half an hour later we'd downed a couple of drinks and were eyeing up a blonde chick in a bum-hugging micro mini when we heard a round of cheers and a couple of wolf-whistles.

Then we saw them. Lucille's always had an exhibitionist streak in her, but this time she'd really gone to town. So had Sandra.

"How do you like the results of our shopping trip?" Lucille asked.

"You didn't get much for your money, did you," I answered. "But it sure looks fantastic."

Lucille had on a white cotton outfit – a t-shirt and skirt. The t-shirt was the sort that's cut really short and stops just under the boobs, except that this one was a little bit shorter still, so you could see the underside of Lucille's tits. The fact that she kept raising her hands to run them through her hair or fiddle with her earrings only made things worse – or better. She kept giving everyone glimpses of her lovely brown nipples. Her skirt in the same limp material was not much longer than the top. It stopped a fraction short of cunt level at the front, so I guessed the lower part of her bum cheeks could be seen from behind. I slipped my hand around her arse. Sure enough, the skirt didn't cover much of it, and there was only a G-string up the middle. And that with high-heeled shoes! Great, I thought. And so apparently did most of the other guys in the room.

Sandra had chosen a red stretch lace dress that clung to every curve of her body. It had a high front that fastened around her neck, but it was backless down to the crack of her bum and only an inch or so longer than Lucille's skirt. You could see Sandra's suntanned boobs clearly through the stretch nylon lace. In fact you could see all of Sandra that was underneath that dress – except for the part covered by the shiny black G-string that she'd put on to match her stiletto-heeled shoes.

Lucille put her arms around my neck and as she did so her t-shirt lifted clear of her tits. I kissed her and felt my heart thumping as her naked boobs pressed against me. I put my hands on her backside and pulled up her tiny skirt so that her arse was fully exposed to all around. Her arse felt gorgeous. I love knowing that other guys are looking at Lucille and longing to have her when she's with me. It's a real turn-on.

"Do you mind if I show your bum in public?" I asked.

"Of course not," she answered. "If it makes you feel good, it's OK by me."

Flashing bums makes you thirsty so the four of us had a couple more drinks. Strangely enough the conversation was about sex! Somehow it's hard to talk about anything else when you're with two women who are giving everyone displays of the things that are usually kept private.

I happened to mention the coincidence that brought us together – matching dildos. "For all the use you've made of it, you might as well have left yours at home, Lucille," I said.

"Don't you worry," was her reply. "Just wait till you see what we've got planned for you tonight."

Later on, Sandra and Paul came up with Lucille and me to our room and, sure enough, two large dildos lay on the bed ready for use.

"Now, you two guys just relax in those chairs over there," Sandra said, "and Lucille and I will see if we can't put these dildos to use after all."

Paul and I sat down to enjoy the show. Lucille and Sandra started their warm up by kissing and stroking each other, rubbing their bodies together and making sure we got a good display of tit and bum. Eventually Lucille bent over and leaned on the bed, legs apart with her bum towards us. What a sexy sight! The tiniest triangle of

lace covered her cunt and the thinnest string of cotton went up the crack of her arse.

And it was an even sexier sight a moment later when Sandra pulled down Lucille's G-string, parted her gorgeous cunt lips and proceeded to give my wife a good tonguing. Once she'd decided her cunt was juicy enough, and after trying it out with a few fingers first, Sandra picked up one of the dildos and pushed it into Lucille's cunt, gently but firmly with regular strokes. My wife gave a gasp, and then another. I knew she was enjoying it. And so was I.

After Sandra had got Lucille warmed up like that it was Lucille's turn to give Sandra a dose of the same treatment. She was certainly ready for it. Sandra lay back on the bed, arched her body and pulled off her shiny black G-string. Both girls still had on the rest of their clothes but their skirts were so short that it made very little difference. Sandra's pubic hair had been trimmed to a little triangle and around her cunt she was shaved completely clean. Lucille, holding her own dildo inside her own cunt with one hand, now bent over to poke her tongue and fingers as far as she could inside Sandra's shaved snatch.

As Lucille came up for breath, saliva and cunt juices dripping from her chin, Sandra's hands went to her own hole. She pulled the folds of skin wide apart so we could see right down inside. "Give me a length of dildo. Give it to me, please," she said to Lucille. "I want to feel that big hard cock inside me."

Lucille squatted at the end of the bed, steadying her own dildo with her left hand as she moved up and down on it. With her right hand she took the other dildo and pushed it deep inside Sandra's waiting cunt. Sandra shuddered with pleasure as she felt its unyielding stiffness inside her. She clutched at her nipples through the stretch lace of her dress and draped one stiletto-clad foot over Lucille's shoulder.

Well, there's a time for sitting back and enjoying the show, and there's a time for joining in the fun. Paul and I were so horny we just couldn't sit back any longer. Both of us stripped off in a matter of seconds. It was quite a relief because our cocks were enormous by now.

The cunts were both filled to the brim with dildo, so we offered our cocks to the waiting mouths of these two lust-filled women. They didn't need any persuasion. A moment later Paul was on the bed crouched over his girlfriend's face. She had hold of his cock, wanking the skin up and down and gobbling at his balls while he leaned forward to play with Lucille's boobs. I stood at the side of Lucille so she could take my cock in her mouth, and I also leaned over slightly to play with Sandra's cunt as Lucille pushed the dildo inside it.

Our next position was quite a turn-on too. The two girls moved so they were on all fours facing each other on the bed. They pulled their dildos, dripping with juices, out of their holes. As I pushed my cock into Sandra from behind, she put her dildo into Lucille's mouth. Paul was fucking Lucille from the back too, and she held her dildo so Sandra could lick it clean. What a sight! These two women were just crazy for all they could get.

My cock slid in and out of Sandra's cunt as easily as if it were greased. She pushed her bum against me so she didn't miss any. She wasn't missing much of the dildo either. Lucille was pushing it right inside her mouth. And Sandra and her boyfriend were giving Lucille all they'd got – in terms of cock and dildo, that is. A fun time was being had by all.

Another shift around and Lucille was getting fucked by me while she sucked Paul off. Sandra sat propped up against the wall watching us, poking one dildo up her cunt and licking the other like a lollipop.

We finished up with Lucille lying on her back on the bed with Sandra on all fours over her but facing the other way. Lucille raised her head so she could lick at Sandra's cunt, and started poking a dildo up it again. Sandra, in turn, lowered her head between Lucille's outspread legs, licked with her tongue and shoved hard with the dildo in her hand.

The licking stopped but the poking continued till the girls were trembling as their bodies built up to orgasm. I offered my cock to Sandra who gobbled it greedily, still working the dildo in and out of Lucille as she sucked me. Lucille lay her head down and took Paul's cock in her mouth, licking lasciviously while keeping up the piston-like motion with the dildo in Sandra's cunt.

I could feel myself nearly exploding when Sandra looked up at me with her big blue smiling eyes and then went down on me almost the whole length of my cock. I couldn't hold back any longer. The come started pumping into her mouth, and then as she couldn't manage to swallow all I was giving her, she pulled back and let me shoot it over her tits.

Paul gave Lucille a mouthful too. She kept pace with him, swallowing everything he gave her, licking her lips when he'd shot his load and flicking the final drops from his glans with the end of her tongue.

It was then that Sandra's and Lucille's trembling reached a climax. They were both pushing deep with their dildos and were soon lost in the pangs of an orgasm that overtook their bodies. It was fantastic to watch them as their bodies writhed.

That was quite a night, and we had quite a few more like it during that holiday too. We're still in contact with Sandra and Paul. In fact, we're going to go and stay with them next weekend. It'll only be a short visit. We're only staying one night, so we'll only need a change of clothes and a toothbrush – oh, and a dildo, of course. – *John, Barnsley*

# PORN Princess

# BLONDI

Our latest porn princess Blondi certainly knows the ropes when it comes to making adult movies. The 25-year-old has been on the scene for seven years, no less, and in her illustrious creaming career has made more than 30 films. We're surprised she hasn't slipped a few discs, spending all that time on her back, but Blondi tells us that there's nothing she likes better than getting down to business.

"I'm lucky in that I really enjoy my job," she told us from her San Diego home. "There was no question in my mind when I started out in my career about what I wanted to do – screw as many of those well-hung porn studs as possible! I've certainly achieved it, *and* discovered that I love sex with women too.

"And I've no intention of giving up yet, even though I've been around the scene for a long time. Where else could I get to have as many orgasms as I want, and get paid for it?"

You can check out Blondi's talents with films like *Loose Lifestyles*, *California Blonde*, *Wet and Wild* and *Miami Spice*, to name but a few. And a final comment from our horny star? "I've loved appearing in Club, and I wanna see some of those horny readers' letters so that I can play with myself while I read them!" No problem.♣

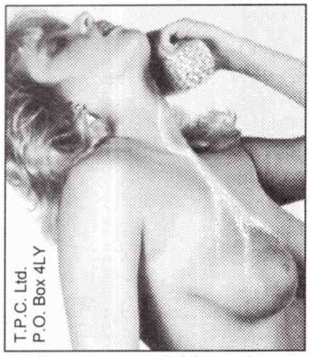
**Bathtime Bonking**

After a particularly filthy game of rugby with the lads, we all like to get Wet & Soapy (0836 405 550) to get all the grime off, but imagine our surprise when Miss Gymslip (0836 405 551) entered the room by mistake.

When we all cheered she decided to take advantage of the situation, and started to do a Striptease (0836 405 552). She peeled off her Bursting Bra (0836 405 553) to reveal her Clinging Cleavage (0836 405 554) to us all, then threw her Unrolled Stockings (0836 405 555) to us. As we fought over them in the water, she dangled her Silky Thighs (0836 405 556) over the edge of the bath and began to Stroke Me Slowly (0836 405 557) with her feet. One of the lads then grabbed her Warm Wet Cheeks (0836 405 558) with his Clammy Clench (0836 405 559), and pulled her into the water, allowing me the chance to use my Expert Tongue (0836 405 560) on her Moist And Memorable (0836 405 561) body. She then treated us to her Pouting Lips (0836



405 562) and made us all Moan In Foam (0836 405 563).

Since then she pays us all regular visits, but I'll tell you about them another time.

Some models whip off their clothes and spread their legs like they're supposed to, but then surprise us by wanting to tell us about their obsession with hang gliding. No such double standards with the incredible Linda. When Linda bares her boobs you can be sure that all she wants to talk about is what she wants you to do to them! of attention and love, and that means sex whenever I want it. They can do whatever they want to, as long as they do it often!" laughs Linda as she unleashes the sort of smile that could melt the polar ice caps.

"I've got no time for the sort of guy who'd rather talk about his new car than his new lady. That's why I love to pose for men in your magazine – they buy it because they all love beautiful women and are very interested in giving them what they want. It makes me so horny knowing that there are men out there who could

satisfy me in every possible way. I can't tell you what that entails because it's much too naughty, but if you take a good look at my firm tits and tight little bum I think you can imagine!" ♣

opened. I saw that she was as aroused as I was; the golden curls were moist and her juices sparkled in the sunlight from the window.

I was still kneeling at her feet and she grabbed me by the hair and pulled my face into her crotch with one hand, playing with her own nipples and kneading her breasts with the other. I struggled to get my shorts and undies down and my cock shot out, splaying threads of pre-come on to her bare legs.

My tongue explored her crack and tasted her musky female juices. It touched, caressed those sensitive female parts. My hands groped at her breasts, squeezing her nipples and pummelling her buttocks.

Her hands now reached for my cock and helped it unfold into a quivering purple knob, throbbing at her touch. I withdrew my tongue from her sopping cunt and she hurled herself on to the floor and pulled me on top of her.

"Fuck me," she cried, so I grabbed my tool, took aim and thrust into her open, panting, glistening twat. Thrusting again and again in a wild frenzy, I fucked her silly, grinding my groin against hers, and squeezed her hard nipples till she gasped with pain and pleasure. I felt the touch of warm female flesh pulsating around my quivering cock, then a surge from both of us as . . . we came! – *Andy, Lancs*

### Good Exam-ple

I am a student who finds it hard to concentrate on my studies because of your magazine, which I purchase monthly. However, a few weeks before my exams last year I found that by masturbating whilst looking at the luscious girls prior to revising I could subsequently achieve perfect concentration. So I would like to thank you for helping me come through my exams (in more ways than one). – *Carl, Kent*

### Hello, Samantha!

**I've decided to write after purchasing Vol 18 No 5. The photos of Samantha in this particular edition were extremely good. I think she looks fantastic, with a lovely face and an unbelievable figure. (Her house was rather nice too!)**

**I'm sure I could spend hours with my head between her lovely legs, followed by some eager shafting in every conceivable position. She is something else and I hereby nominate her for your *Come Again* slot. Please ensure that she appears in your magazine again (and again), as I'm sure you agree she's delectable.**

**Finally, keep up the good standards of your mag: I thoroughly enjoy it – and if possible can we see Clare "Dominant" Dowse or Sue Smith in a future issue? *–HS, Glasgow***

# The Club guide to girls

## 11: Innocent Girls

*Vernon O'Tamar writes about innocent girls. Surely this is virgin on the ridiculous?*

You know, I've come to the conclusion that they really had things sussed back in the Middle Ages. Apart from the fact that they talked funny, like in Chaucer – so that if you were swearing at the mother-in-law she wouldn't know what you were talking about – that was the age when you went around deflowering virgins. Yes, every girl had to be one, probably more than once in her life, and it was every man's duty to go round deflowering them.

Personally I'm all for a spot of deflowering myself, and I don't mean weeding the garden. I've always been a man who goes for the innocent type of girl, and the closer she is to being a virgin, the better. Not that I've met many virgins lately, but a bloke can dream, can't he?

Actually, I tell a lie, because I *did* meet a virgin about six months back. When I found out that she was *intactus*, as they say in Latin, I couldn't wait to be the first one to stick her with my love rocket, as Chaucer would have said. Trouble was, she wasn't having any – and neither was I.

"No, Vernon," Belinda used to say as soon as my hand came within three feet of her unopened box of tricks. "I don't want you to do that – I want to keep myself for the man of my dreams." I don't know what she thought I was then, but it obviously wasn't her knight in shining armour on a white charger anyway. Still, for a virgin she could swallow absolutely gallons of spunk.

Not that it's usual to find a virgin these days, since in my own experience (as you've seen from reading my column) the birds are usually only too ready to drop their silks. But once I *did* find a girl who tried a most unusual one on me.

An old girlfriend of mine was particularly horny, and when the time came I could hardly wait to shag her. After a couple of close calls in the back seat of my Capri, we finally got down to it when her parents were out. By the time I was ready to batter the gates of her love palace with my purple battering ram, as you might say, she was squealing and moaning like a good 'un. But then she said there was something she had to tell me.

This sounds ominous, I thought, and was about to tell her not to worry 'cos *I* was on the Pill, when she shut me up by shoving her nipple in my gob.

"I think you should know, Vern," she said, "that this is my first time!" Wow! I couldn't believe my luck! I was about to shag the first virgin I'd met since primary school. I nearly came too soon.

"Be gentle with me," she pleaded as I started to slowly thrust into that tight little box. She seemed to get the hang of things pretty quick though, and before long she was gasping for it – and I gave it to her.

Naturally I felt I had to share the glad tidings with my mates; I'd had Cherry's cherry and I wanted everyone to know it. Of course, I felt a right berk when they all told me she'd been a virgin when they'd had her too . . . Some girls will go to *any* lengths to snare me.

But this has set me back to thinking of the old days again, the days of noble knights and fair young maidens who would die for their honour. I expect the knights were dying for it too, but they never tell you whether or not they got it in those literature books. They were a pervy lot in those days though, because this was when they invented that great British tradition, THE CHASTITY BELT.

And *bloody* kinky they are too. I can testify to that, because Cherry tried one out on me the 47th time I bust her cherry – well, I've got nothing against a few fantasies, and if she wanted to be a virgin the rest of her life, that was up to her. The only trouble was we kept losing the key – and I never could wriggle out of it once she'd locked me in.

So the next time you meet an innocent girl, just think on this – once you've had 'em, they're dirtier than Dominant Dowse in a mud-wrestling match underneath, and they can never get enough. Take it from Vern – I'm still locked inside this bleedin' belt . . .♣
